

WE NOMINATE

Gardner Patterson, brilliant 52-year old economist and a Princetonian for almost two decades, who has made educational news this week with the publication of a special report, "The Education of Women at Princeton." Representing well over a year of intensive work and literally 100's of exchanges with teachers, administrators and observers in all parts of the country, this remarkable document — supported by surveys and the kind of hard statistics traditionalists will cheerfully misinterpret — covers an area of American higher education in which there "is literally no bibliography of definitive literature" and, accordingly, is of significance to colleges throughout the nation.

It is Patterson's conclusion that the quality of the educational experience at Princeton, a bastion of masculine supremacy since its founding in 1746, "would be greatly enriched if women were admitted, that to achieve these benefits in full measure an undergraduate body including not less than 1,000 women is desirable, and that the arrangements should be coeducational rather than coordinate." For reasons peculiar to Princeton's present situation, he states, the operating and the capital costs at this time of such an increase in the number of students (some \$300,000-plus in additional annual expenses and approximately \$25-million in capital outlay) "are surprisingly reasonable."

In an era marked by the development of coordinate institutions, meaning the equivalent of "brother-and-sister" colleges and secondary schools, Patterson, who used both Faculty-Administration and student committees as sounding-boards, plumps for full coeducation. "We have uncovered no significant evidence," he writes, "that moving through such transitional phases would provide especially useful knowledge or experience . . . We therefore recommend that, should it

decide to undertake the education of women, Princeton should be coeducational from the start, with a single board of trustees, a single administration, a single faculty, a single budget, and a single curriculum."

While his newly released report is described by colleagues as "the most intensive and sophisticated analysis of the question of coeducation undertaken by anyone to date," Patterson, the father of a daughter, is best known as an authority on international economics, a valued adviser to the Federal Government and as an educational innovator. For instance, as Director of Princeton's Woodrow Wilson School of Public and International Affairs from 1958 through 1961, he was primarily responsible for inaugurating and developing a far-reaching program designed to train men and women for careers in the public service.

For some 18 months prior to undertaking this searching analysis, Patterson, a native of Burt, Iowa, and a product of the University of Michigan and Harvard, was Assistant Director-General for Trade Policy and Intelligence at the General Agreement on Tariffs and Trade Conference in Geneva, Switzerland. In other assignments he had served as a top-level U.S. representative in North Africa, the Middle East, Western Europe, the Balkans and Israel. On the home front, he had supervised the University's International Finance Section for almost 10 years.

For bringing Princeton head-to-head with the most "important question the University as a community has faced in many decades": for insisting that Princeton as a national institution can no longer justify "denying educational opportunities to any person because of race, creed or sex"; for his landmark contribution as author of one of the "educational think-pieces" of the 1960's; he is our nominee as

"IN MY OPINION..."
"Mailbox" Is Full Again!
In the fall of 1968, a variety of problems in the Princeton scene were of concern to Princetonians. Some of them put their thoughts in writing to TOWN TOPICS (or to The New York Times, where in three successive days, five letters with a Princeton address appeared — a fascinatingly high percentage of acceptance by that paper of all the scores of letters it receives each week.)

Subjects touched on in TOWN TOPICS' "Mailbox" ranged from the belief that Princeton is far overdue for creation of a Civil Rights Commission, to the need for busing young children to the John Witherspoon School, to dismay over the extent that homosexuality and lesbianism are the subject matter of current motion pictures.

This week, these were the opinions of TOWN TOPICS' correspondents:

Rights Commission Needed.

To the Editor of Town Topics:
We note the two mayors of Princeton have met and are considering the feasibility and formation of a possible Civil Rights Commission. We applaud their efforts, particularly if they result in action.

It is pertinent to note in addition, however, that the formation of a Civil Rights Commission was first proposed for the Princeton Borough and Township as long as six or seven years ago by Mr. James

TELL IT LIKE IT IS! Some Princeton young people talk about the town with the two Democratic candidates for Township Committee, James Floyd and Thomas Hartmann. (Left to right) Charley Madden, Barbara Owen, Vincent Boone, Mr. Hartmann, Portia Edwards, Mr. Floyd, Dan Schay and Dave Schlichting.

Township Action Welcomed.

To the Editor of Town Topics:
Congratulations to the Township Mayor and Committee-men regarding the enforcement of the sign limitation ordinance. I recently stopped at a service station on Alexander Street and noticed that a large quantity of the extraneous signs had been removed.

I congratulated the service station operator, thinking that he was cooperating with the American Beautiful campaign. However, he sadly informed me that he was required to remove the signs by the Township officials.

I sincerely hope this splendid effort is enforced throughout the Township and that Princeton Borough will take similar action.

To the Editor of Town Topics:
So I turned to the movie reviews in this week's TOWN TOPICS (September 13) and found a choice of seeing at Playhouse how a bored housewife decides to spend her time as a \$100-a-night call girl, farce at the Garden about how to milk the public of their money, featuring in the play a "hippie" Hitler, directed by a homosexual dressed like a woman, with an effeminate assistant; or more interestingly perhaps yet at the Prince, a picture about lesbians. I quote from the review of "Therese and Isabelle" in TOWN TOPICS — "It concerns the friendship of two voluptuous young schoolgirls at a French institution which develops into an intense emotional and sexual relationship every intimate detail of which the viewer is permitted to see".

I do not know, nor can I imagine what all the secrecy is about. When Township Democratic candidates Jim Floyd and Tom Hartmann reported their meeting with the N. J. Director of Civil Rights three weeks ago, it was all an open story and a clear one at that.

Have the mayors met with the State Director? Have they decided that a commission will be a good thing? Bad Thing?

Has there been an open hearing in the heart of The John Witherspoon area so that citizens who would be most affected could express their opinions? Or will it be just another instance of citizens having to go hat in hand to

 sion somehow was created that we were all going to be a lot better off because movies were going to represent life the way it really is instead of constantly portraying sugarplums-in-fairland setups. Well, how many of you readers see these movies as real life portrayals? Perhaps some.

Without having the slightest shred of evidence to support my claim, I would say the majority of people do not live the way these people do on film. May I suggest that in stead of fairland, those in "responsible" positions as movie producers are rapidly making life in the movies into fantasy freeland. More importantly and most particularly, movies such as these could be affecting adversely, impressible young people from emotionally unstable backgrounds.

Please, movie theaters, give us a better choice, and readers, wake up and complain at me or at the movies!

NOTICE
TOWN TOPICS will make every effort, based on space limitations, to publish up to 500 words of any letter on a subject directly affecting the Princeton area. Because of the volume of news which must be covered at the community level, letters on topics of a national or international nature cannot be considered.

Letters to *Mailbox* should be rewritten if possible, double-spaced, and must be signed for publication. Those received later than Monday afternoon may be held for use the following week.

Brenda W. Lapsley and James N. Lapsley.

We urge the voters to please reconsider the K-5 busing item before some small child ends up a statistic attempting to go to or from the John Witherspoon School.

Expecting a youngster to walk 1½ miles or 1 and seven tenths miles one way to school sounds fine on paper for one foresees that this is no mere walk through rural territory but a walk through the most distracting, dangerous and crowded area of Princeton.

The traffic on Nassau, Witherspoon, Stockton, Wiggins—To mention numerous unpaved in the September 12 issue of TOWN TOPICS written by such as Bank Street are brutal

even for adult pedestrians to navigate.

I know! I do not have access to an automobile — and have a 5-year-old son who simply is not infatigable when it comes to safety! I would not permit him to walk alone 3 blocks down Nassau much less expect him to walk home alone after a tiring day in first grade from the John Witherspoon School.

Physically the walk is not too much to ask — but emotionally a 5-year-old little boy simply can't be expected to cope with the distractions of crowds, chaotic traffic and be immune to fatigue too. Not all mothers have cars — nor are all small children infatigable when it comes to remembering pedestrian safety rules when there are so many busy streets to cross — especially with afternoon sun blinding them.

The question is really this — would you let your 5-year-old child or grandchild walk down even 3 or 4 blocks of Nassau Street alone after a tiring day in school? It sounds fine on paper. In reality though you would do as I do — walk with that child to school.

I urge the voters to reconsider the K-5 busing item. It may save a small child's life — the lack of it will certainly and inevitably cost a child's life. Tired children jaywalk and do silly things — and Nassau Street, Stockton, Wiggins, etc. are too dangerous for this sort of behavior.

There won't be a lack of people for K-5 busing after an injury or fatality — but won't it be too late then? Let's act to prevent something tragic — before it occurs. Guarding only some of the intersections and streets is not enough!

To the Editor of Town Topics:

In your report of the meeting of the Princeton Community Democratic Organization, held on Wednesday, September 1, you stated that I was one of a number of speakers who urged support of Vice-President Humphrey "as the lesser

of two evils." This is not my view, nor did I say anything of the kind at the time. What I did say was this (and I still have my notes):

1. That my position on the war in Vietnam was similar to Senator McCarthy's;
 2. That I had no faith that either of the candidates of the major parties would bring the war to a prompt conclusion sooner than his opponent;

3. That the agony of our cities seemed to me a problem equally compelling;
 4. That Hubert Humphrey, and the Democratic Party, had a deeper compassionate and intellectual commitment to the solution of these great urban problems than did their Republican opponents;

5. And that, therefore I proposed to support the entire —Continued On Page 4

Admission of 1,000 Women to Princeton University Urged

The 10-man faculty-administration committee on the education of women at Princeton University has come out 9-1 in favor of admitting at least 1,000 women to the college "as quickly as the necessary funds can be raised."

The final draft of a 56-page report on coeducation, written by committee chairman Gardner Patterson, a professor of economics and international affairs, was released early this week and mailed to all alumni, faculty and students. It concluded that the intellectual, cultural and social advantages of coeducation would far outweigh its cost, estimated by Mr. Patterson at about \$25 million.

An earlier draft of the report, leaked to The Daily Princetonian in mid-May, had set 10 years as a target for the enrollment of 1,000 women, some 250 in each class. The final version, however, sets no timetable, urging "as short a transition period as possible" once girls set foot in Nassau's halls.

Approved by 91 percent of the faculty and 83 percent of the students, the report set the 1,000 figure after a study of coeducation at other colleges. The committee wanted to maintain Princeton's male enrollment at its present 3,800, and found that a 3-1 male-to-female ratio provided most, if not all, of coeducation's educational benefits.

The Patterson study also advised against a more expensive plan for "coordinate" education, which would set up a "sister school" in the Princeton vicinity with a separate faculty and other resources. Rather, Mr. Patterson wrote, "Princeton should be coeducational from the start, with a single Board of Trustees, a single administration, a single faculty, a single budget and a single curriculum."

Arthur J. Horton, Princeton's Director of Development, concerned primarily with alumni gifts and other financial contributions, was the only member of Mr. Patterson's committee not to endorse his recommendations.

"Princeton's resources are already strained to sustain her programs of teaching and research," Mr. Horton noted. "I fear that approval of the Patterson recommendation would have a damaging effect on our overall fund-raising efforts."

The other members of the committee, however, including Dean of the College Edward D. Sullivan and Provost William G. Bowen, "heartily endorsed" the findings and recommendations of the Patterson study, commending, "On educational grounds, the case for coeducation is overwhelming; and there is no more important basis on which a university can make a decision."

The report was forwarded to the trustees with the "firm endorsement" of Dr. Gohsen, who as late as 1965 had said, "Coeducation would create more problems than it would solve." A trustees committee headed by finance chairman Harold H. Helm '20 will study certain aspects of coeducation and bring the matter to a vote in several months.

WHO PAYS?

For Sidewalk Repairs? The question still hasn't been answered, in Princeton Township at least.

Committee introduced Monday night a remodeled version of the ordinance introduced last month and then set aside. This revised ordinance was also tabled for review. It will be re-introduced at some later date.

The latest ordinance would have required home-owners to repair their sidewalks and pay for the repair if the municipal engineer decided the walks needed fixing. Owner would have 30 days to act.

Olin McGowan, 12 Race, protested that big trees on the Township right-of-way could seriously damage a sidewalk — as they had his own. Why, he asked, should he pay for damage done by a Township tree?

Henry J. Frank, 126 Valley Road, protested that a home-owner might be forced to pay for repairing a walk sloppily installed by some long ago Township contractor.

Mayor Carl C. Schaefer protested that he was uneasy about older houses, whose owners long ago had been required to pay the whole cost of sidewalk construction, instead of only half the cost, as now. Why should they pay the whole cost of repair, too?

Attorney Gordon Griffin protested that fairness required some kind of machinery for reviewing individual cases, and that this right should be nailed firmly into the ordinance.

Committeeman William L. Wilson protested that the property-owner's right to question his repair assessment provided the necessary safety-valve. And so the ordinance was tabled.

Committeeman Burton Peskin told the Dog-Leash Com-

mittee of the P.T.O. P.T.A. Council that something would be announced shortly on dog control and that the matter was scheduled for discussion in executive session.

Mrs. Harold Kuhn, 74 Woodland Drive, was appointed by Mayor Schaefer to join with Committeeman Harry J. Volvieder and Engineer Frank Quinby in a discussion with state officials of danger and safety at the Route 206-Ewing Street intersection.

Mr. Volvieder, who like Mrs. Kuhn lives in the area, suggested that now might be a good time to negotiate with Transcontinental Pipeline for some land whose drainage might be installed to relieve the ice-rain conditions at the intersection during winter. Committee approved agree-

All the way!

Summer is about to end, with a record of temperatures that have averaged slightly above normal and rainfall that has not come up to the average set by other years.

Saturday is the first day of fall, but summer weather will be with us for a while. The thermometer will continue to provide readings above normal and, to maintain the trend of recent weeks, no precipitation is forecast through Sunday.

ment with the state and Mantgomery Township providing a traffic blinker at the Route 302 Cherry Valley intersection. The state will pay 75% of the installation costs and the two townships will split the rest.

State law requires a Capital Budget from all municipalities. It is flexible and needn't be followed at all, Mayor Schafer explained.

The Township's adopted Monday, includes money for five road sections, including controversial "Wood Way" in the Longridge subdivision and Terhune Road through the Van Dyke Wright property.

It also includes sidewalks, and Committeeman John Wallace asked people to let him know what they think about new sidewalks in various parts of town.

POLITICS

Rights Committee Proposed.
The two Republican candidates for Township Committee were the spokesmen chosen this week to announce a plan for an advisory committee whose members would prepare recommendations for a permanent Princeton Human Rights Commission.

The plan was developed by Republican Township Mayor Carl C. Schafer, who is running for re-election, and Republican Borough Mayor Henry S. Patterson, who is not. The announcement came from Mayor Schafer and from his running mate, Burton Peckin, who is also seeking re-election.

The plan calls for a committee of eight who "would represent various ethnic groups." Four members—two Borough and two Township—would be chosen from recommendations by PAHR, the Princeton Association for Human Rights.

The other four—also chosen two and two, Borough and Township—would represent the Republican and Democratic parties and could, in Mayor Schafer's words, "attempt to get representation from each political party." If the committee wanted an odd number, it could choose the ninth man itself.

The committee would define the purpose, composition, duties, responsibilities and authority of a permanent Human Rights Commission.

Democrats Also at Work.
Thomas Hartmann and James Floyd, Democratic candidates for Township Committee, emphasized youth this week, urging the use of younger "interns" at the municipal level.

Mr. Floyd suggested that young interns could work in police departments, learning about law and authority and providing adults with insight into youthful behavior.

"Young people should have responsibility for their actions," commented Mr. Floyd, "and this is one way they can learn to understand that."

He suggested that the Township begin to plan now for next summer when possibly three young interns might be hired. He said there were financial sources available to finance them.

Mr. Hartmann said the Township should work with schools and the Youth Center.

work out an internship program.

He charged that a non-profit organization in Trenton sent a young intern to Princeton this summer, but "Princeton never made use of her. She could have done research, perhaps, in the recreation department," Mr. Hartmann said.

IN THE BOROUGH

Taxes Discussed. Michael Erdman, Republican candidate for Borough Council, reminded Borough residents this week that only 22.4 cents out of the Borough resident's tax dollar goes for local purposes.

For each dollar collected, Mr. Erdman said, "44.4 cents goes to the schools, 32.2 to the

Democratic ticket, from Vice President Humphrey and Congressman Thompson right down to the local level, and I urged my fellow Democrats to do likewise.

Unfortunately, men of the stature of Robert Kennedy and John Lindsay, who have been governed by "life compassion-ate approach to urban and racial problems, are few and far between, but Mr. Humphrey's record leads me to hope that he could join their company.

The alternative of turning the country over to those who would solve the urban problems simply by hiring more police, is the "evil" that we must avoid.

county and only 22.4 to the local budget."

He pointed out that county freeholders and the school board, in effect, tell the Borough how much to collect.

"All residents must maintain constant vigilance to restrain unwise or unnecessary spending by all three elected governing bodies," he said.

His running mate on the Republican ticket, Foster Jacobs, reminded Borough residents that the renter is affected by taxes, too.

"Since the property tax constitutes anywhere from 25 to 40% of the cost of operating a rental unit, any increase in property taxes will be passed by the landlord to the tenant."

The candidates cited John Chasko, retired Borough patrolman, as typical of the fixed-income resident most strongly affected by tax increases.

MRS. H.U.M.PHREY MEETS PRESS

In Morven News Conference. Mrs. Hubert H. Humphrey visited Princeton for the first time in her life last week, joining Mrs. Richard J. Hughes for a press conference at Morven following a ten-car motorcade from Mercer County Airport.

Mrs. Humphrey told some 35 women's editors and reporters that she and her husband almost decided to live in Princeton shortly after they were married. "Hubert was offered two fellowships for graduate school after the University of Minnesota," she recalled.

MRS. HUMPHREY IS PRINCETON GUEST: Mrs. Hubert H. Humphrey (left), wife of the Democratic Presidential candidate, spent last Thursday afternoon at "Morven" as the guest of Mrs. Richard J. Hughes (center), Borough Mayor Henry S. Patterson chats with the two ladies on the terrace at "Morven."

"One was to Princeton University and the other to Louisiana State University at Baton Rouge. We sat down and talked it over seriously. Eventually we decided on LSU — we thought it would be cheaper to live in Baton Rouge. Survival always had a lot to do with our decisions then."

"Well, I'm happy you finally made it to Nassau Street," Mrs. Hughes remarked.

The Second Lady plans a vigorous campaign in her husband's quest for the Presidency. She admitted that he usually "makes one or two meetings after I've gone to bed," but added that since their campaign began, she's been very happy with five hours of sleep each night.

She also unveiled plans to make several campaign swings of her own, including a trip with Mrs. Edmund S. Muskie, if it can be arranged. "I'd like to concentrate on education," Mrs. Humphrey said. "I want to visit as many remedial centers, vocational centers, Job Corps and Head Start centers as I can."

Mrs. Humphrey also expressed a desire to visit American Indian reservations. "They're the really neglected people in our land," she commented. "We seem to think that they can do everything by themselves. We almost do more overseas to help foreign countries than we do for the In-

dians, the forgotten people of our time."

While making it clear that she did not consider herself an expert in political science, Mrs. Humphrey used a bit of feminine intuition to predict forthcoming support from Senator Eugene McCarthy.

"Our families have grown up together. I have a feeling that before too long, Gene will be on our side. The differences between his views and my husbands are not so great that working side by side, the two won't be able to solve the problems, that cause 'the differences'."

While her stop in Princeton was brief, Mrs. Humphrey promised not to be long in returning. She spent several more days with Mrs. Hughes at the Governor's summer home at Sea Girt.

BACK TO SCHOOL

Board to Meet: Parents may examine math textbooks used in all grades of the public school system next Tuesday night.

At the September meeting of the Princeton Regional School Board, to be held at 8 p.m. in Littlebrook School, the board will adopt these texts, formalizing the textbook authorization procedures, as required by state law.

Also on the agenda:

- Bus routes, with possible changes;
- "Wednesday Afternoon" scheduling report;
- Enrollment report, school by school;
- First report by Russell Stanley, new co-ordinator of personnel activities, comparing teacher registrations this year and last, and telling where the new teachers are coming from.

POST OFFICE TO STAY

"We Didn't Mean It," The U.S. Post Office has no intention of closing its Palmer Square office.

Congressman Frank Thompson Jr. has written to Borough Mayor Henry S. Patterson assuring him that Palmer Square will be kept as a finance station and will operate as usual except for carrier services, which will be based in the new post office. The department hopes its new building will be in Princeton Township on North Harrison, near Terhune.

A "finance station," Mr. Thompson explained, means that people can buy money orders and stamps, mail packages and rent locked boxes.

The post office department had announced this summer that "Palmer Square would be 'abandoned' when the new building was built, and Mayor Patterson had written his strong protest to Mr. Thompson. Last week, Borough Council passed a resolution asking the post office department to reconsider.

LET'S DISCUSS SCHOOLS

Public Meeting Next Week

The new Friends of Public Education in Princeton will hold its first public meeting next Thursday at 8:30 p.m. in the John Witherspoon School.

Part of the program will be devoted to answers people have given to the two questions asked earlier this month by the Friends:

"Do you think the public schools are generally doing a good job?" and "What changes do you think ought to be made?"

Answers to these questions may still be sent to the Friends, at 391 Lake Drive, Princeton.

Membership categories in the Friends have been established as follows: individual membership, \$2 per year; contributing individual, \$5; non-profit organizations, \$10; profit organizations, \$25. Anyone living in Princeton Borough or Township is eligible.

An organization may designate one of its officers to represent it, and he will have the same rights as an individual or contributing member.

Dues may be sent to the Friends of Public Education, in care of George Grace, treasurer, Pretty Brook Road, Princeton.

LOSS HITS \$1 MILLION

In Mach Lumber Fire: A fire that raged out of control for several hours, despite the efforts of 18 fire companies from four counties, destroyed a third of Mach Lumber Company's supplies Monday, causing more than \$1 million in damage, according to unofficial estimates.

The blaze, which ate up countless stacks of lumber and storage sheds in the company's yard on Etra Road in East Windsor Township, was reported about 2:15 p.m. by a Mach employee. Hudson Fire Chief Fred Torquardt said it apparently ignited in a shed which stored insulation, roofing shingles and miscellaneous lumber. The cause is still unknown.

Elm Road Light Approved

A traffic light will be installed at the intersection of Elm Road, Cleveland Lane and Rosedale Road, according to an announcement this week from State Senator Richard J. Coffee.

Senator Coffee said the state's Division of Motor Vehicles has told him that state approval will come a long "in the near future."

The engineering plan calls for a realignment of lanes. While the plan is under study, the state will probably authorize Mercer County to go ahead with construction work and sign installation. Senator Coffee was informed.

The light will work on a standard red-green pattern for the two busy morning hours and the two busy afternoon hours. At other times, the signal will be a caution blinker.

Small fires still burned in stacks Tuesday. Builders were used to push large piles of burning lumber to the rear of the May property, where it will be allowed to burn out.

Fire companies from Mercer, Middlesex, Monmouth and Ocean counties brought 40 pieces of equipment to the scene. Mach is one of central New Jersey's largest lumber facilities.

ROCKY HILL SAYS "NO"

Opposes Trap Rock Ordinance

Rocky Hill has told Franklin Township it "strongly opposes" the proposed Franklin zoning amendment that would allow Kingston Trap Rock to expand.

Rocky Hill's Borough Council unanimously adopted on September 11 a resolution registering its opposition to the ordinance, and informing Franklin's Township Committee that it wants immediate adoption and enforcement of effective controls against the trap rock company's present quarrying operations.

"The citizens of the Borough of Rocky Hill have expressed their objection to the proposed zoning amendment and extension," the resolution stated.

SANITY HEARING SOUGHT

For Jose Soto. A special hearing before a Trenton Judge concerning the mental condition of Jose Soto has been scheduled for Friday.

It comes almost seven months after Soto was charged with the murder of Princeton Bank Teller Mrs. Kirsti Pfister in an attempted holdup on February 13. Soto allegedly fired a single shot at Mrs. Pfister, killing her instantly. He fled, and was arrested in New York three weeks later.

The request for a sanity hearing before Judge A. Jerome Moore was made by Soto's attorney, Charles Popkin, a deputy state public defender. Popkin's counterpart, Mercer County Prosecutor John J. Barry, is expected to oppose the request.

Soto is presently being held at the Trenton State Hospital for the Criminally Insane. He was taken there on May 16 after he tried to commit suicide by slashing his wrist with a sharpened metal cup handle in his cell in the Mercer County Jail. Authorities at the jail said later that the cuts were superficial.

POLICE CHARGE MAN

With Stolen Car Possession. Melvin J. Best, 24, 27 Leigh Avenue, awaits action by a Grand Jury after being charged by the Borough police last week with possession of a stolen car.

At a special hearing held Thursday before Magistrate Theodore T. Tams Jr., Best, who was represented by Public Defender Charles Popkin, was released in his own recognizance. He was also charged with illegal possession of fireworks which police uncovered in the stolen car he was driving.

A juvenile who was with Best at the time of his arrest was released to the custody of his parents.

Acting on information, police spotted the car parked on Clay Street. Sgt. Robert Anderson and Ptl. Douglas Watson, in separate patrol cars, chased Best and caught up to him at Stockton Street and Lovers Lane. Best, an unemployed dishwasher, allegedly told them that he knew the car had been stolen and he was returning it to the owner. Police said the car's plates had been changed.

The car had been stolen from the Hertz Rental Corporation, 13 Walnut Street, Trenton. At the time, the firm was unaware the car was missing, police said.

THROWS EGGS FROM CAR

Youth Fined \$20. Angelo Provenzano, 14, 42 Carmichael Place, was fined \$20 Monday by Magistrate Theodore T. Tams Jr. in Borough Court for throwing raw eggs from a moving car. He pleaded guilty.

Two drivers were fined for speeding. Arthur C. Downs Jr., 34, of Belle Mead, paid \$20, and Mrs. Mary L. Fitzgerald,

Thomas Testa, 18, of Cranbury, was halted for 90 days and Gerald B. Johnson, 20, 118 Taylor Street, Hopewell for 15 days.

TWO WOMEN DROWN

Off Maine Coast. An extra day of vacation in Maine turned out to be a tragic one for two Princeton women, last Tuesday, when both drowned in rough surf off the coast of Mattituck Island.

Miss Marcella Carroll, 28, of 333 Nassau Street, and Miss Kathleen Horne, 25, of 68 William Street, were pronounced dead at a hospital dock in Booth Bay Harbor, where they were taken by the coast guard. The cause of death was given as accidental drowning by a medical examiner.

Miss Horne's younger sister, Jacqueline, 20, of Fort Lee, witnessed the accident but was unable to help. She told police the three girls were sunning on the beach at Burnt Head, a section of the island 12 miles off the Maine coast.

Her sister, Kathleen, saw Miss Carroll in trouble in the surf and ran to help her, while Jacqueline ran for help. She returned and saw Kathleen in the water attempting to reach Miss Carroll with a pair of dumbbells; before, she, too, disappeared in the waves.

Reconciliation Fails. The girls' bodies were recovered by a lobster fisherman in a boat, accompanied by a visiting doctor who tried to revive them. According to Lincoln County Sheriff William Carter the girls had been staying on the island for a week, and were scheduled to return home the day of the drowning, but stayed an extra day, because of the fine weather.

Miss Carroll was the daughter of Philip T. Carroll, former clerk of the Mercer County Board of Preadolescents. A graduate of Princeton H. S. School and Bowling Green College, she spent two years in the Peace Corps.

She had recently been employed as assistant director of the Neighborhood House in New Brunswick. Later this month she planned to attend the University of Connecticut to begin work toward a master's degree in social work.

In addition to her parents, Miss Carroll is survived by a sister, Mrs. Phyllis Hoagland of Piscataway Township; a brother, P. Thomas Carroll of Princeton; a maternal grandmother, Mrs. August Pierre of Princeton. Requiem high mass was held in St. Paul's Church with interment in the cemetery under direction of the Kimble Funeral Home.

HAGADORN FINED \$20 For Obstructing Entrance. Richard Hagadorn, 29, of 20 Vandeventer Avenue, was fined \$10 and \$10 court costs Monday in criminal court by Borough Magistrate Theodore T. Tams Jr. for obstructing the entrance one night this summer to Pietriferino's Restaurant, 84 Nassau Street. Hagadorn denied the charge. Assistant Borough attorney Henry A. Hill said at the outset of the hearing that Mr. Hagadorn was being charged specifically under a clause under section 21.2 of the Borough's disorderly person's code which prohibits anyone from loitering in or about a private entrance in such a manner so as to obstruct the free and public use thereof. This is not the so-called new anti-loitering ordinance but was first written more than 40 years ago and last amended in 1952.

The bulk of the 90 minute hearing was devoted to trying to locate precisely where Mr. Hagadorn was allegedly standing on the night of August 7 P.M. David Alston, the complainant, testified he saw the defendant leaning against one side of an archway leading to the door of Pietriferino's, partially obstructing passage to customers.

Mr. Hagadorn, under questioning from his attorney, Joseph Stonker, insisted he was standing about a foot and a half away, in a doorway between Pietriferino's and Hinkson's which leads to second floor offices and third floor apartments. An eight-inch partition separates the two entrances. Two witnesses corroborated Mr. Hagadorn's testimony.

Wherever he may have been standing, Pietriferino said that Hagadorn failed to move along when he asked the group of eight youths congregating near

Pietriferino's to do so. At most, he said, Mr. Hagadorn moved about a foot to his right.

Pd. Alston further testified that he asked Mr. Hagadorn twice more to move, telling him he was loitering and blocking passage. When he asked him why he remained standing there, he said this Hagadorn had used the word "unconstitutional" in his reply.

At the end of the give and take, Magistrate Tams said. Continued on page 12.

September 11, 1968

Dear Friend:

After the Democratic Convention, I stated my plans to campaign for the election of House and Senate candidates who shared my views regarding the crucial issues of today, particularly with respect to our involvement in Vietnam. Frank Thompson, who has been my friend for many years, is one of these candidates. He has emphatically stated his support for the minority plank on Vietnam and his determination, if he is reelected, to fight to make its principles become national policy. Frank Thompson and I have long worked for progressive measures in both domestic and foreign policy areas. It is to this end that we joined together in 1957 to form the Democratic Study Group.

I am asking your support of Frank Thompson, for I believe that without him in the House of Representatives, the Congress would lose an effective and a senior liberal leader. I hope that those of you who were so generous with your energy and financial support in my campaign will help Frank Thompson's candidacy in every possible way.

Sincerely yours,

Eugene J. McCarthy

AMERICAN LEGION POST 76 began its 50th anniversary
year Wednesday with the presentation of American flags
to eight Brownie troops of the Princeton Neighborhood Girl
Scouts. D. Don Richards, deputy chairman of the anniversary
committee, and Post Commander William Haupt present
the flags to Mrs. Richard Gilbert, Princeton Neighborhood
chairman.

He had and complained of
pains in the stomach.
He was admitted to the hos-
pital but released on Monday.
All of the victims had been
pinned in the car, police said.

Township Police have charged
the driver, Jessie J. McMillan, 26, of Trenton with death
by auto and reckless driving.
He was released in \$2,000 bail.

NOTICE

Because of a need early
Wednesday to add four pages
to accommodate additional
news, pictures and
advertising, the next four
pages of this issue are num-
bered 12 A, B, C and D, fol-
lowed, properly enough, by
13. The total number of
pages is accordingly 46, and
not 52 as the second section
—printed earlier—indicates.

McMillian refused medical
attention at the hospital. He
also refused to give any state-
ments to police about the ac-
cident. Instead, they said, he
was very belligerent and
abusive at the scene.

At the hospital, McMillan, a
crane operator at Fairless
Hills, had still not calmed
down. He continued to use ab-
usive language and allegedly
tried to assault Township Ptl.
Mario Musso.

He was subdued by Borough
patrolmen William Hunter and
Robert Mucciarelli and taken
to Borough Headquarters.
There he was charged with
assault and using loud and
abusive language, and then re-
leased to the Township police.
The hospital, which straddles
the Borough-Township line, is
under jurisdiction of Borough
police.

Car Total Loss. Ptl. Anthony
Pinelli, who investigated the
accident, said the McMillan
car, a 1965 sedan, was a total
loss. He said that skid marks
and the excessive damage re-
vealed the car was going at a
high rate of speed.

After crossing over into the
opposite lane, the car hit a
curb and struck an embank-
ment, causing it to spin
around and travel backwards.
It then struck a pole, tree and
iron fence before coming to
rest. The tree and fence are
located on the property of
R. Braddock Dinsmore.

POWER BUGGY STOLEN
From Jadwin Cage Site. A
three by eight-foot, rubber-
tired power buggy used to
haul heavy acetylene tanks
was stolen during the weekend
from the Jadwin Cage con-
struction site near Washington
Road.

"Somebody spotted it inside
the cage and drove away with
it," said a Township police-
man. The buggy, which had a
three-horsepower motor at-
tached to it, was valued at
\$300. Also taken were three
acetylene tanks with a com-
bined value of \$150.

The theft was reported by
Andrew Pencook, foreman for
the J. B. Eurrell company of
Lansdowne Pk. Ptl. David
Potts investigated.

Earlier this month, Elsie
MacDougall, an employee of
the Princeton Inn, reported
that a table radio, electric
alarm clock and about \$6 in
change from a top dresser had
been stolen from her room lo-
cated in the women's section
of the Inn's employee dormi-
tory.

She valued the radio at
about \$65 and the alarm clock
at \$9. She told Ptl. Michael
Kopiner, the investigating of-
ficer, that she had been out of
her room for only three hours.

Three watches with a total
value of \$425 were stolen from
a display window at Edwards
Jewelers in the Princeton
Shopping Center.

Police said that apparently
someone opened the door on
the main side of the store and
reached across a narrow glass
counter into the show window
and removed the watches from
their cases, while the store
was open. Ptl. Robert Heacock
could not investigate.

In the Borough, two new
front tires and rims were stolen
during the weekend from a
1969 Dodge Charger, parked in
the rear of Turney Motors, 255
Nassau Street.

Mechanic Charles Ross dis-
covered the theft at 7:45 Mon-
day morning. Ptl. James Bloor
investigated for the Borough
police. No value was placed
on the tires and rims, but
Chief Peter J. McCrohan com-
mented: "They're expensive."

In an act of malicious mis-
chief, two boys were throwing
a garbage can through a two
by six-foot glass window of the
front door of Harris Depart-

HOUSING: NEXT STEP

Federal Approval. "We look forward to working with you toward an expanded program of low rent housing in your locale," said the regional office of HUD this week, announcing that it approves the idea of Princeton Township's using the existing Housing Authority of the Borough as its agent in building low-cost housing in the Township.

The Township has started on the required "workable program." Administrator Joseph R. Nini reported Monday night that all Township departments

Merrill's Toy Corner

For this week's game I would like to recommend **WHIRL LEE TWIRLER**, the amazing, extraction spin top. Whirl it, Toss it, Spin it, Toss it. A flexible plastic disk which you can take off the end of a stick. Whirlie Twirler is a takeoff on the old stick and spinning dinner plate from Vauclville days. Fun for the entire family—provided you don't experiment with mom's Lennox. From the makers of Wham-O, it's only 99c.

Since the completion of our remodeling and expansion, we offer (1) the largest selection of toys and games at reasonable prices in the Princeton area; (2) ease of shopping, made possible by wider aisles and lower counters (we keep hearing from our customers how easy it is to shop at Zinder's); and (3) Free Gift Wrapping. If you haven't seen the new Zinder's, stop in today.

\$500 GIVEN BY HUN SCHOOL STUDENTS TO UNITED FUND: For the fifth consecutive year, students at the Hun School made a contribution to the Princeton area United Fund-Bird Cross Campaign. Here, Peter E. Braveman, president of the student council, presents a check for \$500 to Willard Stinger, 1968 campaign chairman. Also present are Anthony M. Rakusin, chairman of the school's social action committee, and Paul Chesbro, headmaster.

are lining up the necessary five codes: housing, plumbing, building, fire and electrical—to see whether the municipality must adopt new ones or amend old ones.

"We congratulate this excellent example of cooperation between your two communities," the Housing and Urban Development communication said, "and request that our congratulations also be conveyed to the Township Committee."

A POLITICAL PARTY . . .

and a Contest. An essay poster-cartoon-slogan contest open to all primary and secondary school students in Princeton is being sponsored by the Republican Club of Princeton.

Each entrant will receive an award and winners will receive a prize. Details at Republican Headquarters, 8 Nassau. The contest will close October 21.

Meanwhile, the Democrats are giving a party this Sunday for the two Democratic candidates for Township Committee, James Floyd and Thomas Hartman.

The party will be held from 3 to 5 at the home of Mr. and Mrs. William Marvel, 141 Dadds Lane. Anyone who wishes to meet the candidates is invited to attend, and should call Mr. John Hite, 921-2990.

MEETING POSTPONED

By Recreation Board. The September meeting of the Joint Recreation Board, scheduled for this Wednesday evening, has been postponed to next Tuesday.

The Board will meet in the social room at Princeton High School at 8:15. The meeting is open to the public.

COLLEGE RECEIVES GRANT

From New Jersey Bell. An unrestricted grant of \$1,000 has been awarded to Westminster Choir College by the New Jersey Bell Telephone Company. The funds were presented to Dr. Lee H. Bristol Jr., Westminster president, by Donald McCormack, Bell Telephone district manager and Robert McGroarty, manager of the Princeton office. The telephone company's unrestricted gifts are in support of higher education in the state.

Westminster is currently constructing a residence hall and library.

HOLE IN ONE SATURDAY

Sponsored by PBA. A hole in one competition will be held from 10 to 6 p.m. Saturday at the Springdale Golf Club on Lower Springdale Road. The event is being sponsored by the Princeton Patrolmen's Benevolent Association which will use the proceeds to help finance its youth programs. First prize will be a color television set. Tickets may be obtained from any Borough or Township patrolman or at the site of the contest.

THOMPSON SUPPORTED

And Fund-Raising Dance Set. The Princeton Community Democratic Organization, which supported Senator Eugene McCarthy, announced this week its "strong backing" of Congressman Frank Thompson Jr. in his race for re-election. The Thompson-for-Congress Committee is sponsoring a "Thumpy's Happening" to be held next Wednesday, September 25, at the Princeton Country Club at 9 p.m.

Dancing, entertainment and refreshments will be on hand for the \$35-per-ticket price. Tickets are available from J. Stanley Husid, 392-5104.

Mr. Husid a Trenton resident, is chairman of the committee. Co-chairman is Mrs. Jackson Martindell and committee members are Mrs. Percy Wood Jr., Harvey L. Stern, Mrs. A. N. Spanel, William Masker, Richard Colman, Archibald S. Alexander Jr., Gerald Stockman, Lloyd B. Wescott and Mayor Carmen J. Arment of Trenton.

INCENTIVES URGED

For capital improvements. Sydney S. Souter, Republican congressional candidate from the 4th District, has proposed a federal "tax incentive" program to encourage capital improvements by the private homeowner.

"Too often," Mr. Souter said, "the increased taxes resulting from capital improvements force homeowners to curtail or abandon improvement plans; those that do are penalized in the process. My better way to allow each homeowner to deduct a percentage of capital improvements from his federal income tax."

"In this way," Mr. Souter continued, "the homeowner, particularly the one with limited income, would not be overburdened by rising real estate taxes. And everyone knows what a problem local

real estate taxes have become."

"In a period of our nation's history when there exists a real and pressing need to encourage individual investment in the maintenance, repair and improvement of private homes—particularly in our cities—it is unfair to penalize those who make such improvements," Mr. Souter concluded.

\$733,400 GRANT MADE

To Hopewell Utilities. The U. S. Department of Housing and Urban Development has approved a grant of \$733,400 to help finance a \$3 million sewer project in Hopewell Township's Titusville area.

The Township's Municipal Utilities Authority plans construction of a treatment plant a short distance upstream from the point where Jacobs Creek meets the Delaware River, with the capacity to serve 8,500 persons.

Force mains and connecting sewers will serve some 1,900 persons, with provisions for expansion to 17,000. The Hopewell Authority also believes the project will help to cleanse the Delaware.

Plans are now being prepared by Albright and Friel, in Philadelphia, with a \$25,900 state loan. Construction is planned to begin within six months.

A WEEK-LONG SERIES OF EVENTS, beginning this Saturday, dedicate the \$275,000 addition to Princeton Unitarian Church, Cherry Hill and State Roads. Above, photographed from the interior courtyard, are church school rooms at right on the first level, the lounge directly above and schoolrooms beyond under the peaked roofs. The enclosed corridor contains Shirlee Lore's drawings of five Unitarians, 15th century martyr Servetus, scientist-ecologist Joseph Priestley, abolitionist Theodore Parker, social reformer Dorothea Dix and John Young, whose Negro who heads Trenton's storefront "House of Soul," supported by the Unitarians. Diehl Miller Russell designed the addition.

RULLETIN NOTES

Rev. Harry I. Lauer, Jr., former vicar of All Saints' Chapel of Trinity Parish, has accepted the position of rector of St. Thomas's Episcopal Church, is serving as interim priest-in-charge at All Saints'.

Unitarian Church to Dedicate New Wing

Princeton Unitarian Church has scheduled a week-long series of events to mark the opening of its ultra-modern addition, beginning with a reception and dinner this Saturday. The dedication falls on the 400th anniversary of the Unitarian movement, founded by Francis David in Transylvania.

Rev. Dr. Harry B. Scholefield of First Unitarian Church, San Francisco, scholar and civic leader, is the featured speaker this Saturday. The Rev. Robert L. Cope will conduct the dedication service at 11 on Sunday. His sermon topic is "Of, By and For the People."

Events of the forthcoming week include: Monday, adult program, "Black Liberation and the American Political System," with Associate Dean James MacDonald of Livingston College as speaker.

Tuesday open house, Wednesday, Denominational Forum, led by G. Robert Holler of the Laymen's League; Thursday, open house; Friday, concert by pianists David Kruehnach and Richard Chromister; Saturday, youth night, led by David Lotz, president, and Sunday, 11 a.m. installation service for the Rev. Wilfrid W. Ward, associate minister.

First Presbyterian Church returns to the 9 and 11 a.m. worship services Sunday, September 29. Adult classes and enrichment programs will meet from 10:10 to 10:30 a.m.

A roast beef dinner will be sponsored by the Women's Guild for Christian Service of Blawieburg Reformed Church from 5 to 8 p.m. on Saturday, September 29. Mrs. Enos Partell and Mrs. William Teubert are co-chairmen. Mrs. Paul Ross is in charge of publicity. Tickets may be purchased at the door.

News Of The CHURCHES

MRS. CALDWELL TO SPEAK On Vietnam USO. Mrs. Charles S. Caldwell, home on leave until October 5 from her post as associate director of the China Beach USO, South Vietnam, will speak at 8:30 p.m. Friday, October 4, in Pierce Hall of Trinity Episcopal Church. Her topic is "80,000 One-Inch Paint Brushes."

Mrs. Caldwell recently received the Dickey Chapelle Award from the Marine Corps League for her contribution to the Corps in the past year. Although China Beach, in the 1 Corps area near Da Nang, is a Naval installation, the Marines predominate. Mrs. Caldwell's work included evenings spent

as a volunteer working with the critically wounded in the Naval Support Activities Hospital.

Mrs. Caldwell will also thank the Vietnam Christmas Gift Committee, a non-denominational group of more than 100 from the Princeton area who last year sent packets containing six or seven small, individually wrapped gifts to each of the 90,000 combat troops in I Corps. She will relate how the packets were distributed on Christmas Day.

Volunteers are needed and donations are being solicited for a similar project for Christmas 1968. Beginning Monday, October 7, the work of wrapping and packing will commence at 1 p.m. in the Hill.

Mrs. William Selden is chairman. Assisting her are Mrs. Sydney Stevens, Mr. and Mrs. James Cammarth, Mrs. Gregory Tschetobartoff, Mrs. Richard S. Fowler and Mrs. John Byrn.

SCHEDULE LITURGE At Calvary Baptist, Acting upon the recommendation of the Board of Christian Education, Calvary Baptist Church begins this Sunday its weekly schedule of worship and study at 10 a.m., the Rev. Kenneth S. Dannehauser has announced.

Families will attend morning worship together at 10, with the kindergarten and primary groups leaving for classes prior to the sermon. Junior, youth and adult classes will be held after the service.

This Sunday, the second in a series of four commentaries on the World Council of Churches' Assembly in Uppsala, Sweden, will be part of the worship service. The speaker will be Dr. C. Howard Hopkins, whose topic is "Views of Uppsala."

CIRCLE MEETINGS SET By Dutch Neck Unit. The Women's Association of First Presbyterian Church, Dutch Neck, will hold circle meetings next Wednesday, September 25, and Thursday, September 26. "The Look of Greatness," based upon the Book of Mark, is the study topic. The Wednesday meetings are scheduled for 10 a.m. at the home of Mrs. Morton Prosser, with Mrs. Lance Marshall as co-hostess, and for 8 p.m. at the home of Mrs. John Kleiger, with Mrs. Constance East as co-hostess.

Mrs. William Wilson will be hostess at the 8 p.m. Thursday meeting. Circle discussions will center upon "Secularism and Politics." **SOMETHING old or new to sell?** Try a Town Topics Classified Call 924-2209 today.

ART In Princeton

PAA ENROLLMENT OPEN
Fall Program to Begin
Princeton Art Association, 14 Nassau Street, has announced its fall program. Membership is open to all who are interested in art. PAA-sponsored classes begin next week and the program also offers lectures, informal discussions, workshops and an opportunity to work on art related community projects.

Watercolorist Dagmar Tribble, winner of a number of national awards, is introducing instruction in collage with watercolor. She is scheduled to have a show in The Princeton Club next month.

Lore Lindenfeld, weaver and industrial designer, will provide looms for instruction in basic weave constructions, knotting and looping as used in oriental and Scandinavian rugs, and more advanced tapestry techniques. Mrs. Lindenfeld, a former pupil of Arrie Alberts, recently exhibited in the New Jersey Craftsman Show at the New Jersey State Museum.

David Chapin will teach afternoon and evening classes in drawing and painting on Wednesdays. Portrait or figure models will be provided at each session. A graduate of Cornell University School of Architecture and

student of Hans Hoffman, Mr. Chapin has done many commissioned portraits.

Sue Howard will conduct a Saturday morning workshop open to adults and teenagers. Starting with two-dimensional designs, students will be encouraged to develop three-dimensional constructions from them. Mrs. Howard, an art teacher in the Allentown schools, is the former Sue Messner, well known in Princeton as a ballet dancer and skater.

A workshop for children ages 7 to 11 will be held on Mondays from 4 to 6 p.m. by Sharon Saffran. Pupils will explore various media, including three-dimensional construction in paper, tissue paper and watercolor, pen and Japanese brush. Mrs. Saffran has taught art in the Princeton schools and held a one-man show last summer at Theatre Intime.

Models for life classes will be provided by PAA at three hours sessions on Tuesday mornings and Thursday evenings, as well as a cooperative live portrait group on the first Friday morning of each month. Further information and brochures may be obtained from Mrs. Lucia Hastings, 924-3140 daytime, or Mrs. Jane Szathmari, 924-6477 evenings.

PHOTO WORKSHOP SET

By Sam Tamashiro. A workshop open to beginners and advanced photographers who desire to do creative work will meet for 12 sessions, beginning October 5, under the leadership of Sam Tamashiro.

Sessions are scheduled for 10 until noon on Saturday mornings at Visual Consultants, 20 Nassau Street, a new firm headed by Mr. Tamashiro. A limited number of scholarships are available.

Assignments include photographic "notebooks" for personal cinema, picture stories of social protest, layouts for picture books, stage photography and photo exhibits. While the heavy of the workshop is shooting assignments and critiques from contact sheets and enlarged prints, there will be a field trip to the New York darkrooms of one of the largest picture magazines, and to the Studios of a fashion photographer.

YOUNG ART CONTINUES

At Princeton Youth Center. An informal showing of summer art work at 2 this Sunday opens the fall activities of the Art Workshop of the Princeton

Youth Center. Witherspoon and Wiggins Street. The show will feature collage, paintings, graphics and sculpture. There will be a combined work session and organizational meeting at the same time. The group will decide upon the media they would like to emphasize during the first part of the year. Possibilities include sculpture, ceramics, graphics, etching, collagraph, as well as drawing and painting in various materials—oil, watercolor, casein, collage or mosaic.

TO SEE "BOSCABEL"

Historic Hudson Mansion. One of the outstanding 18th Century mansions, "Boscabel" at Garrison-on-Hudson, N.Y., will be toured on Thursday, October 10, in a day trip sponsored by the Princeton Art Association.

A magnificently restored country place, Boscabel is in the Robert Adams style of architecture. Reservations may be made through the PAA at 921-9173 or Mrs. Harvey Rothenberg, 921-8916.

of higher education, with references for private assistance sources.

Mr. Thompson, the third ranking member of the House Committee on Education and Labor, noted, "For many years higher education was largely reserved for the wealthy. Now our state and federal governments have extensive financial aid programs to make higher education available to all students."

A sponsor of the National Defense Education Act, Mr. Thompson authored legislation to establish the National Foundation of the Arts and Humanities and the John F. Kennedy Center for the Performing Arts. He also sponsored the first aid to education bill to pass the House.

It does things other small cars shouldn't do.

Cornering at high speeds is one of the last things to expect small cars to do successfully. Unless it's a SAAB, the out-of-the-ordinary small car. Out of the ordinary because it has front-wheel drive. So it doesn't push you around like others do. It pulls you around corners, curves and other drivers' mistakes. Is that all SAAB has? Not on your life. Most ordinary cars don't give you, even as options, all the standard SAAB safety features.

As an optional extra, our new V-4 engine has a **LIFETIME WARRANTY**.

You can drive it like a big car.

TOWN TALK

It looks suburban, it feels suburban, it acts suburban. But - it is not suburban. So close to town, yet with that "country air" taste. This 2 story home tells you it is bright from the moment you enter the front sunroom, exposed from 3 sides, till you leave its jalousied rear porch. Foyer, living room with fireplace, separate dining room, large kitchen and pantry are on the first floor. The second floor has 4 bedrooms and bath. Full basement, 2 car garage. Could Princeton Boro offer more for \$39,900?

News Of The THEATRES

NEW PLAY TO OPEN
Innovation at McCarter. A brand new play, never given before on anybody's stage, will open McCarter Theatre's 1968-69 Drama Series with an opening night production on Friday, October 18, at 8:30.
"The Village: A Party" is a play about integration. Its author is Charles Fuller, a young black playwright who lives in Philadelphia.

Mr. Fuller has published essays, short stories, scripts for the NET "Black Journal" TV series. He is one of the founders of the Afro American Arts Theatre in Philadelphia, and "The Village" is his first professionally produced play.

The first will consist of six black actors and six white actors. The play, referred to as "abundant tragedy" by its author, concerns an ideal village built by six integrated couples. The tensions that develop, even in this idyllic setting far removed from the outside world, provide the fabric of the drama.

Arthur Lithgow, executive director of McCarter, will direct "The Village: A Party." It is the first of the eight plays scheduled for the forthcoming season.

TWO WITH A BANG
At McCarter, "Song of the Lusitanian Bogey" and "America Hurrah" will provide a lively opening bang at McCarter.

"Bogey" is the first play offered last winter by the new Negro Ensemble Company. It will be given in McCarter on one night only, Friday, October 4 at 8:30.

"America Hurrah," which played off-Broadway Pocket Theatre for almost two years, will come to McCarter for a single performance on Monday, October 7, also at 8:30.

In "Song of the Lusitanian Bogey," playwright Peter Weiss shows the oppressive Portuguese colonial regime in Africa. It has been described as a Brechtian pageant, replete with music, dance, mime and songs.

"Lusitania" is the old name for Portugal and "Bogey" is an African jujitsu figure made out of trash cans and slogans. It symbolizes the 500 years of Portuguese colonialism.

IT'S MOVIE NITE
Seen "Cat Ballou?" Films you missed the first time round or just plain want to see again, will be in town during October at McCarter Theatre.

The Endless Summer starts things off on September 27, with an 8 p.m. showing. (Roadrunner cartoons, too.)

"Cat Ballou," with Lee Remick as that inebriated gun fighter, Jane Fonda, Nat King Cole and Tom Nardini, will play Saturday, October 5, also at 8.

Skeletons in the Closet will emerge on Friday and Saturday, October 11 and 12, when McCarter shows a pair of films.

AUTHOR! AUTHOR! Charles Fuller is the young playwright whose new play about integration, "The Village: A Party" will open McCarter Theatre's eight-play repertory season on October 18.

by France's great master of science and horror, "The Wages of Fear," with Yves Montand ("One of the great shatters of all times," said the "Time" man) will be shown on Friday, and "Dialogue" with Simone Signoret on Saturday.
Roadrunner cartoons will be shown on all four evenings. Or did we tell you?

"FIRST IN PRINCETON"
For 6 Films "Loves of a Blonde" will be shown in Princeton for the first time as the opener in McCarter Theatre's 1968-69 International Film Series.

The 1966 Czechoslovak production will be on view Tuesday, October 15 at 8 p.m.

Five other foreign films will have their first Princeton showings during McCarter's "International" series. They are Mary Ellen Bute's version of James Joyce's "Finnegan's Wake," Vilgot Sjöman's filming on the underground novel "91," Carlos Saura's "The Hunt" which is in Spain last year; Truffaut's "Fahrenheit 451" with Oskar Werner and Julie Christie; and Godard's "Les Carabiniers," made in 1963 but only released last year.

Complete program details and the season's schedule are available at the McCarter box office.

JUDY COLLINS IS BACK

Will He. Judy Collins' third appearance in Princeton will be, as usual, in Alexander Hall on the University campus. The folk singer will appear on Friday, October 18 at 8, and tickets are on sale at the McCarter box office. McCarter's fall folk program will present three leading pop artists in their Princeton debuts. Donovan will be at McCarter Theatre Monday, October 28 (tickets on sale now). Richie Havens will check in at Alexander Hall on Friday, November 15 and country Joe and the Fish will be at Alexander on Saturday, November 23.

INTIME MAKES PLANS

With Variety. Eugene Jones' "The Killer" has been scheduled as the first play of the season by Princeton University's undergraduate Theatre Intime. Frederic O'Brady, of the University's French department, will direct this dark story of a phantom murderer who haunts and hunts in a shabby suburb. The play will be given on October 31, November 1, 2, 7, 8 and 9. Subsequent productions will offer Eugene O'Neill's "Long Days Journey Into Night," Ben Jonson's "The Alchemist."

"The Clouds" and "Luncheon." In "The World of Carl Sandburg," Intime audiences can hear some of the poet's unpublished verses as well as old favorites.

"Slow Dance on the Killing Ground" by William Hanley is another play scheduled for the Showcase series.

Information about subscriptions may be obtained by writing the theatre in Princeton, or calling 452-8181.

HERE COMES 'WILDCAT'

To Princeton Next Week. The Broadway musical, "Wildcat," will be presented next week by the Prevue Players of Princeton.

Opening Thursday, September 26, it will be given again Friday and Saturday nights at St. James Catholic Church. Audrey Harcar, a Trenton resident who has been seen in the educational television series "Attorney at Law," will have the leading role.

PLAYHOUSE

With Six You Get Egroll (now playing) marks a major change in the film career of Doris Day. The theme of "The Constant Virgin" has been thrown to the winds, in favor of one portraying Miss Day as a widow with three sons actively pursuing Brian Keith, a widower with a daughter.

After a series of complications, many precipitated by the children, who do not like the match, they sneak away and get married in Las Vegas. The problems of trying to unite the children into one family occupy the rest of the film with a series of entertaining misadventures, some of which were carried a trifle too far.

The laughs are fairly frequent throughout, however, and the picture measures up as a suitable one for family entertainment.

GARDEN AND GREENWOOD

The Producers (now playing) is a comedy-farce starring Zeta Mostel, Dick Shawn and newcomer Gene Wilder.

Mostel is the Broadway producer who has had a series of flops. The drab little bookkeeper, Gene Wilder, suggests that he raise huge sums of money which he can keep since no one expects any returns from a flop. Together they search out what must be the worst script in history, a musical about Hitler. Their plans are thrown by Dick Shawn, who comes on as a genuinely funny "hippie" Hitler.

The farce is funnier in some

parts than in others. Lee Merdis is sexy and funny as a non-English speaking secretary to Motel. Less funny and rather strained is the heavy-handed treatment of the "show's homosexual director," played humorously by Christopher Hewitt dressed like a woman, and of his effeminate assistant. It is not a family film.

The screenplay is based upon the Violette Leduc novel with much of Miss Leduc's flowery and descriptive narrative imagery. It concerns the friendship of two voluptuous

IT'S NEW To Us

**UP FROM THE BEACHES
To The Fashion Shows.** "If you are going to get married, wait!" This is the advice Robert Albert, owner of Stacy's, gave fashion show audiences last week at Stacy's Suburban Shop in Lawrence Shopping Center.

"We are going to open our new store in the Mall in 3-4-5 months, next to Dunham's. It will be three times the size of this store and we think it's going to be the most elegant in the entire state of New Jersey. We're going to include a complete bridal salon — so girls, wait!"

Those who can, should. There's a fine sense of femininity and a comfortable price range in the Stacy fall collection that augurs well for the bridal salon.

Stacy's casual clothes include a number of quick-change-artist numbers that obviously meet the needs of the woman who's up squeezing oranges at 7 and off to a meeting at 10. These are the pantsuits that come equipped with a blouse and skirt as well.

Chalky narrow stripes slim down a grey four-piece outfit tagged at \$65. The slacks are supple, well-tailored; the skirt, worn with the jacket, blends into Madison Avenue.

For the dreamer, there's an Edwardian pants-suit in black with extravagantly gathered lace jabot and cuffs. With the skirt included, it's \$90.

Off on another tack, Stacy's showed Gino Paoli's swinging cape and slacks ensemble. The neon pink cape is finger-rip length with patch pockets (in the back so you don't use

them) and a double line of front buttons from neck to hem. With it, there's a solid sweater and plaid slacks cross-barred in the same warm, bright pink, all priced at \$149. The leather coats are slim waisted, flaring, modeled with high, tight hoods. A blue-green suede coat from Israel, soft as velvet and slimly belted, is one of those coats that "walk" well. The suede pigskin coat by Highlander at \$145 has an easy fit, shaped at the waistline.

Ensembles, however, are the basic theme of the Stacy collection. The intriguing "cat look" is supplied by a jaguar-trimmed dress, with a five-eighths length matching coat worn with a jaguar toque. It's something over \$300.

There's a white fur ascot on a \$225 Victor Jury ensemble with a fur hem softly beiling out from a quietly simple dress. One of the "fakes" is a broadtail jacket cut to the hipbone, paired with an elegantly plain dress adorned only by a flat bow several inches below the high neckline.

Among the knits you'll find a brown coat frosted with lamb to be worn with a matching long-sleeved dress kept starkly simple to accent a jewel. The price is \$199. The red-red coat dress (some call the color "vibrant") is a stunner.

For quieter types, Stacy has a beige knit ensemble, the coat delicately trimmed with dark braid, which is amusingly repeated on the creases of the back pleat of the dress.

Some of the most elegant offerings are designed by Geoffrey Beene in the kind of understatement that makes a dress almost timeless. (While most of the Stacy hemlines are a fairly firm 3" above the knee, the Beene hem touches the kneecap.)

His white afternoon dress is absolutely unadorned, but cut to perfection. A grey flannel coat and dress at \$199, perfect for town or travel, is highly sophisticated — and simple.

Among the notable evening things are Adele Simpson's brocade dress and jacket, the dress Empire-waisted with a

STACY FASHIONS for fall include Geoffrey Beene's black wool, frosted in frosty feline, shown on stage at one of last week's fashion shows.

boat neckline cut fairly low. Also a long, seeded gown that seems almost alive, catching light with a thousand spontaneous twinkles. Its full skirt is cinched by a wide soft belt. Two hundred and fifty dollars, with the jacket.

Puff brocade, pale blue on beige, comes in a gently flaring short coat with a matching dress, a beautiful, delicate, romantic design. A change of pace is the long, pale silk gown with a jewel-encrusted yoke and deep, jeweled cuffs at the end of tight sleeves. The gathered skirt has a bow-tied belt. It's chic and charming, and the cost is \$179.

Bellows Loves Fogarty. On Friday, Anne Fogarty's fall collection was modeled informally at Bellows while customers enjoyed hot coffee and cookies. A fashion leader since the late 1940's, she designs for women like herself, women with good figures who love sculptured lines and interesting fabric.

No other pen can make ink go so far.

The Parker Jotter writes longer than any other ball point. At any price. Yet, the Jotter will cost you only \$1.98. And a Parker Jotter is designed to be kept in an age when most things are designed to be thrown away. That's why we make the longest writing refills, for just 98¢. We figure that if a pen isn't worth saving, it wasn't worth that much to begin with.

MUSIC In Princeton

ORCHESTRA TRIMS PLANS
Scheduling Tightened. The Princeton Chamber Orchestra will run a spring season only this year, starting in January and ending in April.

In the past, the orchestra has had a split season consisting of two months each, in fall and spring. Under the new arrangement, the orchestra's professional musicians can sign up with other music groups for the autumn season when they are not rehearsing or working with the Princeton Chamber Orchestra.

Nicholas Haraszny, music director and conductor of the Princeton group, said this week that the 1969 tour season has been completely sold out of all 50 scheduled performances.

Princeton performances of the orchestra will be on January 21, February 17 and March 24, all in McCarter Theatre. Programs will be announced shortly.

GUITAR, Sitar
And Piano. Guitarists, the world's foremost stars, three pianists and a return of P.D.Q. Bach will enliven the "Music at McCarter" series this fall and spring.

"Music at McCarter" is open on a subscription basis only to registered Princeton University undergraduates, graduate students and their families. Remaining singles go on sale to the public at the theatre box office about three weeks before each concert.

John Williams will launch the series on Tuesday, November 19, with a return engagement. Australia's master guitarist is the principal protégé of Segovia.

Christoph Eschenbach, the brilliant young German pianist, will give his first concert in the United States on Monday, January 20, in McCarter.

Ariar Rubenstein will come back to Princeton's Dillon Gym for a concert Sunday afternoon, February 2. Tickets for this recital will go on sale early in November.

P.D.Q. Bach, an evening of recently discovered masterworks that never were, will return to harass Princeton music lovers on Tuesday, February 25.

FOGARTY FORMALS: Mrs. Lillian Bellows examines the white wool lace ruffles on Anne Fogarty's simply-cut white flannel gown, belted to gold kid. The model at right wears a shirt-lapel dress of grey yarn-dyed flannel, topped with gold-and-grey striped silk organdy. At Bellows, Nassau St.

Peter Serkin, one of the leading pianists of his generation, will perform in McCarter on Monday, April 21.

It's New To Us

Continued From Page 27

She has a skillful way of making an average waistline look tiny, and when she hits upon a design that conveys her particular carefree elegance, she then, like Mozart, settles into variations on the theme.

Her clothes have a look that's different from anybody else's," is the comment of Stuart Bellows. "They're understated. They're now."

The Anne Fogarty look is belted, full skirted, with a high-rise waist and either sleeves or with a long, light sleeve. She fell enamored of

A very formal gown, cut in long Empire lines, is of silver and gunmetal all-over sequins attached to a gently rustling taffeta base. It has long, narrow sleeves and a wide silver belt.

Another long formal, again with the tight sleeve, is capped with a supple gold kid triangle stole and belted in gold kid. The skirt has motion, a Fogarty signature.

There's pastel silk and worsted dinner dresses, cut to the knee-cap and all very simple. A "body beautiful" design rather intricately cut at the

waist, looks well on "every size," Bellows assures us.

It must be because Anne Fogarty has centered much of her infinite variations of fabric upon it. One of the best is in the new shade called "platinum," a silvery grey. Cut with an oval neck and sculptured long sleeves, the dress is waiting for a simple prized bit of jewelry.

You'll find wool lace used in variations, in tiers around a white flannel gown, or inserted in horizontal stripes in the jacket of a white flannel dress. There's also a ladylike assembly of doubleweave knits, easy to wear and a delight to pack. The Fogartys are two-piecers, the dress center-pleated with a striped top, and a simple jacket.

tional Transportation Commission, will moderate the discussion, to include panelists Robert W. Rummel, vice-president of planning and research for Trans World Airlines, P. A. Carbone, an airports division chief for the Federal Aviation Administration, Benjamin F. Darden, a planning consultant in aviation for New York City, and Albert E. Blomquist, a consulting engineer in transportation.

LEAGUE URGES VOTE: Mrs. Charles Gilvarg, chairman of the Princeton Candidates' Night on October 23, sponsored by the League of Women Voters, admires the display made by her daughter, Karra, to help spread information on registration. The duck agrees, "Don't Squawk, Vote."

Mr. Rummel, the chairman of TWA's jet planning committee when jet aircraft first entered TWA's fleet, will discuss the requirements for a new jetport from the airlines' viewpoint. Problems of airspace and air traffic in the metropolitan area will be covered in Mr. Carbone's talk.

Mr. Darden, a former air traffic control specialist for the

REGISTRATION URGED: By League of Women Voters. Information on registration for the presidential election in November will be difficult to a void this fall. Members of the League of Women Voters will be at the Princeton Shopping Center, the Post Office lobby in Palmer Square and other locations around town throughout the coming week, spreading the word on voting requirements.

Under the Special Presidential Ballot Law, certain voters unable to meet residency requirements for local elections may be able to vote solely for presidential candidates.

The clerks' offices in Princeton Borough and Township Halls will be open for registration from 9 a.m. to 5 p.m., and to 9 p.m., weekdays through Thursday, September 26, with Saturday morning hours at the Township Hall from 9 to 12.

In Montgomery Township, the clerk will register voters Thursday, and from Monday, September 23 through Thursday, September 26, from 9 a.m. to 5 p.m. and 6 to 9 p.m. In Rocky Hill and West Windsor, the clerks are generally available in the evenings for appointments.

CHILD CARE PLANNED: During Home Football Games. The University League Nursery School, 171 Broadmead, will operate a child care service during all home Princeton football games this year, to benefit the nursery's scholarship fund.

Children from 2 to 7 years old will be cared for from 1:30 to 4:30 p.m. during early season games, and from 1 to 4 p.m. during November, for a fee of \$2 per child. More information and reservations are available through Mrs. Eugene Spejewski, 924-8141.

DINNER ARRANGED: To "Stop Red Aid and Trade." The Princeton University Conservative Club and the Mercer County Citizens for Constitutional Government will sponsor a "Stop Red Aid and Trade" Dinner, at 6:30 p.m., Friday, September 27, in the Princeton Inn.

Among the speakers will be Colonel Curtis B. Dall, author of "FDR, My Enemy," Father-in-Law, and Daniel Lyons, president of Twin Circle Publications and chairman of the National Committee for the Liberation of China.

Donations for the dinner may be mailed to Edward Ahns, 171 Westcott Road, at \$7.50 for the dinner, \$3.50 for service, and students, \$1.50. A \$15 ticket includes dinner and a donation to the speaker's fund. Further information is available from Mrs. P. Longstrech Bayer, 924-0269, or Mrs. G. B. Moline, 924-1819.

Spiritual perception to see the real purpose of life and moral strength to reach it — this is the help they need. (One of the words for sin in the early Bible meant "to miss the mark.") THE INCREDIBLE SHRINKING TABLE

Before your very eyes we will demonstrate the amazing versatility of this handsome table.

Now you see it as a typing table, TV table, plus a dining table, bar, and bedside table...

Twist the legs and it's your coffee table, TV table, plus a living end table...

Tuck its legs under and you've got a floor table, Suki-yaki table, even Chinese Checkers-on-the-rug table...

And when you're through, you can make it disappear. Into a closet.

This table makes like it's a million tables. Isn't that what you need right now? It's got an alcohol, heat, and stain resistant 16"x32" top (strong enough to support a 200 lb. man)... heavy duty, cast alloy joints... spring loaded, heavy gauge chromed legs.

Parent-Child Emphasis Key to New Concept Of Christian Education by First Church

First Presbyterian Church is about to begin a new concept in Christian Education, founded upon recognition of the fact that parents actually teach their children far more about their regard of Christianity than they realize.

"Children cannot help absorbing the standards, attitudes, values and beliefs of their parents," the Rev. Ellet A. Daley, associate minister, said in announcing the program. "The Committee on Christian Education has acknowledged this relentless and all-important teaching-learning relationship as the fundamental behavior of Christian nurture."

"It has developed a program of Christian education which will enable the parents to discover what they are in fact teaching, and to discover what are appropriate learnings for their children as they come to regard themselves as Christian."

Church Family Effort. The 26-member Committee, chaired by Frederick T. Richards, included representatives of the session, church youth, the women's association and the clergy. The co-operative church family program will be launched September 29; discussions with parents are now being held after the Sunday worship services.

Acting as a core to the new program are six professional Christian educators, serving on a part-time basis. Parents of each child will serve as teachers' aides and observers in their child's classroom for one month during the school year. They will assist the teaching core, known as "lead teachers."

Parents will be introduced to the program during monthly workshops, scheduled by the lead teachers. Parents will choose their month of service and their child's classroom schedule of 9 a.m. or 11 a.m.

Previous Schools. According to the Rev. Mr. Daley, the new program will overcome three handicaps of previous church schools:

(1) the task of teaching has sometimes fallen upon volunteers whose primary talents lay elsewhere, putting a heavy burden of preparation upon them;

(2) the substantial turnover of teachers, even within a given school year. A

A NEW FORMAT for Christian education is being introduced at First Presbyterian Church by the Rev. Ellet A. Daley and the Christian Education Committee. Parent discussions will be held in the chapel Sunday after worship services.

News Of The CHURCHES

typical student, coming sometimes at 9 and sometimes at 11, has been exposed to as many as 20 quite different church school teachers over the course of five or six years — making it difficult to achieve continuity of learning;

(3) With a large number of children following random patterns of attendance in the past, any given child arriving on a Sunday morning may have been plunged into a group of students, many of whom were relative strangers. This made creation of a stable learning group difficult, if not impossible.

Continuity. Under the co-operative church family program, "the student may complete nine years (from age 3 through the 6th grade) with no more than five teachers (lead teachers), giving him a chance to get to know and trust each of them over a two-year span — and the context of a class will be composed of the same students from week to week," the Rev. Mr. Daley comments.

"The classroom experience sets a theme," he adds. "Most importantly — the very heart of the program — it provides an introduction to, and discussion of the possibilities for the parents' own continuation, expansion and enrichment of the Christian nurture of their child."

"In its role as theme setter, the classroom experience will then be seen in context — not the sole, or even the primary bearer of responsibility for the Christian nurture of the child, but rather one resource among many by which families can inform and shape the direction in which their often unintended teachings lead their children's convictions."

Workshops. As resources for the parents, there will be a series of classes for parents of children of different age groups. These will be co-led by a pediatrician, a psychologist and a religious educator, aiming for a fruitful understanding of the child's physical, psychological and religious growth.

In this context, an analysis of the constant transactions between parents and children may provide immediate and meaningful understanding of religious words such as "guilt," "forgiveness," "judgment," and "reconciliation" as they develop in the joys and trials of family life. Parents will have an opportunity to see themselves with their children by a video tape recording taken

during classroom sessions. The church library, with two professional librarians, Mr. and Mrs. Rowland Bennett, in charge, is developing a material resources center which will provide parents with books, film strips, records, tape recordings, television preview information and television viewing guides. There will be a variety of materials available to help parents interpret a birth or a death to family members of all ages.

Community Role. The final component of the program, "and probably the one with the most enduring effect," the Rev. Mr. Daley notes, will be provision for the children to observe their parents at work in community service projects.

"There is still need to organize specific, concentrated action projects in which several generations of church members can work side by side... regardless of the cost in time, money and comfort to ourselves."

"In the last analysis, if our children do not learn — by observation — that we believe that we are called to do that, whatever else they might learn in the classroom might well be superfluous."

Members of the committee on Christian Education include William F. Alston, Mrs. Arthur M. Byers Jr., Richard D. Challenger, William E. Coffman, William S. Dix, Mrs. W. Frederick Stohman and Mansfield W. Williams, all of the church session; Leslie Vial, youth representative; Mrs. Richard A. Katen of the Women's Association, Mrs. Albert G. Cheneick, Mr. and Mrs. Gerald A. Speedy.

Quit Stewing.

Sure there's a lot to stew about.

Crawling in traffic going to work or coming home . . . trying to afford a son or daughter in college out-of-state because there's no room in Jersey . . . knowing over a thousand people a year are being killed on dangerous roads we haven't modernized in more than 30 years . . . commuting in dreary, crowded trains with old engines that often conk out . . . putting our mentally sick on waiting lists because institutions are jammed . . . watching slums crumble when private enterprise could do a bigger rebuilding job.

All true. But we don't have to vote for more taxes to build ourselves up. We can turn to BONDS, THE MASTER BUILDER. Come November we'll be voting on three bond issues: \$640 million for transportation, \$337.5 million for education and institutions, and \$12.5 million to spur private building of inner-city housing.

VOTE YES ON NEW JERSEY BONDS.

What can you do besides vote yes? Join the New Jersey Bonds Yes Committee. Suite H, Hotel Robert Treat, Newark. You'll be part of a citizens team working to build a better New Jersey.

Cointreau to Move To Lawrence Site

Cointreau Ltd., maker of some 20 cordials, including the famous after-dinner liqueur which bears the firm's name, will soon move into a \$1.5 million plant in Lawrence Township's Princeton Pike Industrial Park, after expansion difficulties at its present national headquarters in Pennington.

According to plant manager Albert J. Wise, the Lawrence plant will employ some 150 people in full operation, mostly holdovers from the Pennington building on West Franklin Avenue. The offices and blending facilities in the old plant were substantially damaged by a 1967 fire.

Cointreau first decided to expand about two years ago, but was unable to acquire space in its original location. Lured to Lawrence by the amendment of an ordinance against the manufacture of alcoholic beverages, the firm now holds a 20-acre site, but will have half of it for future expansion needs.

The official opening of the 116,000 square foot building will be held in October, when Jacques M. Cointreau, founder of the company's American plant, will journey to Lawrence from Angers, France. Cointreau also operates seven other facilities in Europe and South America.

Besides its line of liqueurs, the company will use its Lawrence plant to bottle two Scotch whiskeys for a sister firm, the Medley Distilling Company in Owensboro, Ky.

A-1 HEADQUARTERS OPEN

In Scotch Plains. The recently-expanded A-1 Employment Service opened enlarged headquarters at 219 Park Avenue, Scotch Plains, last week to coordinate branch offices in Princeton, New Brunswick, Union and Caldwell.

Founded in 1962 by Mrs. Audrey Hall, now president of the New Jersey Association of Private Employment Agencies, the firm now employs more than two dozen specialists in job placement, to rank as the fastest-growing of more than 300 employment agencies within the state.

The firm recently added Temporary and Business Services to supplement the company's regular work in finding permanent career positions. The temporary division supplies clerical, secretarial and other help for peak business periods, while the business service provides complete printing and reproduction facilities for business organizations.

THREE FIRMS ENTERED

In Good Neighbor Contest. Three Princeton business firms have been nominated in the ninth annual "New Good Neighbor" Contest, co-sponsored by the New Jersey Manufacturers Association and its magazine, "New Jersey Business."

The businesses are the Princeton Professional Center, Princeton Professional Association, and the architectural firm of Collins, Uhl & Hoisington.

A judging committee will meet at NJMA headquarters in Trenton, Wednesday, September 25, to select ten winners on the basis of economic value to the area, beauty of buildings and grounds and the company's community efforts.

TIGERS TAKE SHAPE

As Rutgers Opeener Nears, One position in the offensive line and two or three in the defensive secondary remain up for grabs as the traditional opening game against Rutgers nears for Princeton's 1968 football team. Both camps are optimistic, and good weather next Saturday, September 28, should see close to 40,000 on hand in Palmer Stadium.

The battle for shortline guard continues between junior Mike Guerin and sophomore Steve Saner. It is the only vacancy created by graduation, and it is a sign of over-all offensive strength that a letterman and the top lineman on last year's good freshman team are both available for the position.

Saner at 215 has a 25-lb. weight advantage on Guerin, but the coaching staff understandably tends to rely on experience. Guerin, who was named a letter last fall in his first year on the varsity already has a fair share of that. He was a backup miler for Joe Freschi on the other side of the line last year.

No final decision is expected until the early part of next week. If Saner should get the nod, the Tigers' offensive line will average about 215, undoubtedly the biggest in the history of Princeton football.

The Tiger forward wall against Rutgers will consist of senior Mike Garton 210 pounds, and junior Mark Bires, 195, at ends; seniors Dave Hantz, 214, and Bruce Eckman, 205, at tackles; senior Joe Freschi, 207, and other junior Mike Guerin, 188, or sophomore Steve Saner, 215, at guards; and senior Bob Silivski, 229, at center.

Backfield firmly set. The veteran, all-tackle backfield, operating behind an experienced line, is expected to keep the Tigers at least as well represented on the scoreboard this year as last, when they averaged better than four touchdowns per game. Coach Dick Coleman thinks that Captain Rich Bracken, beginning his third season as the Tigers' regular tailback, "could become one of the top running backs in the east."

The inside-outside punch that fullback Elliot Moore will provide this season as the Tigers' hope for matching the power that quarterback Brian Dowling and fullback Calvin Hill give Yale. Moore played only seven games last season because of a tendon injury in his leg but nonetheless led Princeton in rushing and Ivy records with a five-touchdown performance against Harvard.

Dan White, hustled into a starting berth as a sophomore was was Bracken because of an injury to the ranking player ahead of him, gives the Tigers

experience at this position as a junior—something they have not had for a number of years. He is a spotlight play selector and good blocking back.

At wingback, senior Jim Koloski provides the three characteristics requisite for this position: ability to block, to receive passes and to run with better than average speed. He holds the Princeton record for the 440-yard hurdles in track.

The reserve unit will consist of junior Scott McBean, tailback; sophomore Chris Montgomery, fullback; junior Jon Wright, quarterback; and either junior Denny Kelly or sophomore Pete Hauck at wingback.

Montgomery and Hauck are the cornerbacks. Montgomery is a triple-threat—he can pass, thus posing a problem for the defense that can raise hob with its plans for stopping a fullback who only runs with the ball, and he will handle the placekicking assignments. In this respect, he appears to have edged out senior Ted Garcia, the side-footed artist who was troubled by inconsistency last year.

Defense the Question Mark. Outcome of the Rutgers game will hinge to a great extent on how well the Princeton defense, largely being rebuilt in the secondary, can handle the Scarlet attack. Quarterback Bruce Van Ness and the fleet-footed Bryant Mitchell figure to give Princeton problems throughout the afternoon.

The Tigers' front five is set: Jim Nixon and Tom Hutchinson, ends; Bob Hewes and Tim McCann, tackles; and Dick Sandler, middle guard. Firm starting assignments in the line—backing, cornerback and the deep back positions have yet to be made in some cases.

A personnel switch has strengthened this platoon, with the conversion of sophomore fullback John Hess to corner-back. His rugged 63, 198-lb. build figures to aid in a variety of ways, particularly on pass defense.

PHIS FOOTBALL - III
(This is the last of three articles on Princeton High School's football prospects for 1963.)

"We're Searching More." The day before his team's first outside scrimmage last week against Southern Freehold High School, Princeton High School coach Dick Wood when asked how the team had been shaping up to that point replied: "We're searching a little more this year. We seem to have a lot of possibilities but for some positions we haven't found the right people yet."

One reason Wood and his seven-man coaching staff have been forced to search is the size of the squad itself. It's big—in fact, the biggest ever at PHIS. I don't know the exact count but I know it over 100," reported Wood. The total includes 35 freshman candidates.

Not all spots are question marks, either. The backfield is firm with three returning lettermen—Nick Arcaro at tailback, John Madden at fullback and Dave Drake at quarterback. The solid spots around which the shuffling of candidates will center are mainly in the interior line and defense. Like the smud, the coaching staff is the biggest ever. Actually it's a six and a half man staff instead of seven because Jack Boutenville will, according to Wood, devote only half-time to the sport. He is chief scout for the team.

Back again will be defensive coach Tom Murray, who has done such a standout job the last two years, and Larry Ivan who will coach the juniors. Freshmen coach Ronald Dale will be joined by newcomer Frank Francisco. An electronics teacher at the PHIS, Francisco played his football at Dover High School in New Jersey. Two more newcomers to the staff will coach the sophomores. They are Earl Owens who played on elevens at

MURRAY FOR THE DEFENSE: Tom Murray will pick up where he left off last year and guide the defense for the Princeton High School football team.

Hamilton High School and later at Trenton State College, and Marvin Trotman.

One of The Best. The latter is readily familiar to long time followers of sports at PHIS. Trotman was one of the best basketball players ever to come out of Princeton High when he was playing in the early '50s, but he was a real good football player as well. Commented Wood, Trotman played for Wood when Dick was an assistant to the then head coach Joe Jengeli, now the school's athletic director.

What is the outlook, then, for the Little Tigers this season? Will they be able to equal or better their fine 7-2 mark of last year?

On balance the team appears to have a lot going for it. It has depth, although not as much experienced depth (nine returning lettermen) as Wood would have liked. It's backfield is three fourths tested and the fourth spot—wing back—has an abundance of capable candidates vying for the position.

It has an excellent place ment kicker in Chris Gartner (22 of 24 last year) for an edge in evenly-fought contests. It has that large coaching staff, and three experienced linemen in Joe Fischer, Barry Henning and Charles Sweigart to help anchor a line that will need anchoring.

There was a sizeable scare thrown at the PHIS camp when Fischer came down with an infection during the summer and did not report. Wood reported, however, that doctors have assured him Fischer will be ready to play by the time of the opener September 28 at Hamilton. "I don't think there will be any problems there," he said.

Still another asset is its mastery of the single wing which forces the opponent's defense to make adjustments for the unfamiliar formation. "We'll use the T about 10 percent of the time to keep the defense off balance," said Wood. "The T," he continued, "gives us a chance to run the play pass on offense which we can't do with

the single wing. It doesn't have that fakery

Schedule Tougher. In essence, the potential and ability of the present PHIS squad would seem to be a carbon copy of last fall's team. The biggest unknown factor in Wood's opinion will be the schedule. Although it is identical to 1967, Wood believes it will be harder because the teams appear stronger.

The Little Tigers start off with three singlers. For its opener at Hamilton, PHIS will face a team that has not had a losing season in the past three years under its aggressive and astute young coach Dave Bryan. What's more, the Hornets have 20 returning lettermen enough to allow Bryan for the first time to use a two platoon system full scale.

Second, also away, is Ewing, the team Wood predicts will be the team to beat in Mercer County. Ewing rebounded from a 1-6-1 record to a 7-1 mark in 1967. It's lone loss was a 20-0 setback to PHIS but despite this, it finished higher in the season-end ranking than Princeton.

This, of course, rankled the Little Tigers a great deal. (PHIS did win the mythical Mercer County Championship though. We got a 42-inch trophy to prove it," said Wood.) If the Blue and White hopes to atone for the injustice, however, it will have to come up with a superior performance.

Volkswagen leaps into the present.

With a fully automatic transmission.

If you bet a friend we never would, we almost didn't.

10 years ago the decision was made. To design a fully automatic transmission. The kind you use in a car and forget.

Our aim was to make things easy, but for us changes aren't easy to make.

Especially in this case. There were certain things we just didn't want to lose. Like horsepower, and our reputation for being economical.

What we've ended up with is a 3-speed automatic transmission that's pure Volkswagen—designed from scratch to get the most out of the VW with the least expenditure of effort.

It has the fewest moving parts.

It's the lightest per horsepower out-

put. And it's incredibly sensitive. (A model airplane engine is powerful enough to turn it.)

So come see how far Volkswagen has come.

The Squareback and Fastback. Both have disk brakes, an electronically controlled fuel injection system, and now, a fully automatic transmission.

If you're interested, it's available as an option on our '69 models.

If you're not interested, we sure went to a lot of trouble for nothing.

CAN HE DO IT AGAIN? Princeton mail carrier Jack Esche not only correctly forecast Princeton University's football record last year, he was the only one in TOWN TOPICS' "Question of the Week" to predict its three losses to Cornell, Yale and Dartmouth. For his estimate of the Tigers' success in 1968, see below (Staff Photo)

Question Of The Week

Question: How many games Yale is going to beat you too do you think the Princeton University football team will win this year?

Where asked: Around town.

Jack Esche, Taylor Terrace, Hopewell, Princeton mail carrier. Seven. They'll lose to Dartmouth and Yale. Yale should win the Ivy League easily and Dartmouth is just a plain tough team. That's it. They seem to give Princeton trouble all the time. The three or four players who were supposed to come back and aren't this year will hurt them. The big question mark is fallback. If Moore gets hurt, R will hurt the entire team.

Joe McManimon, Princeton Junction, plumber. I've heard the team is in good shape physically, but I think they'll lose to Yale, Rutgers and Dartmouth. Dartmouth has been tough since 1935 when they played in a blizzard. I saw that game as a kid. I also saw the 1951 hurricane game. Princeton came into that game undefeated and won, 13 to 7.

Bob Chambers, 16 Maple Avenue, half of C & C Painters. Seven. They'll lose to Dartmouth and Yale and win the rest. Yale is definitely going to give them problems too much backfield there. Princeton's had no injuries so far, so they should be pretty strong.

Bill Cavanaugh, 150 Spruce Street, second half of C & C Painters. I feel they'll lose to Yale and Dartmouth. I think

2 of 15 Right on Target

Of the 15 people polled by TOWN TOPICS last year, only two predicted that Princeton would win six and lose three in 1967. Senator Harry Fuller of Patton Hall said the Tigers would win the first six and lose the last three to Harvard, Yale and Dartmouth. This was almost but not quite the perfect forecast by Jack Esche, Princeton mail carrier, who correctly named the losses to Cornell, Yale and Dartmouth. The majority had picked the Tigers to win seven or eight.

TOWN TOPICS returned to Mr. Esche this year and he appears to have his last sentence a year ago when he said: "I look for them to rebuild this year and be good next year." He is picking Princeton to win seven this fall.

Yale. Yale will win the Ivy League title. With Van Ness in there and if he doesn't get hurt, Rutgers is going to be a big headache for Princeton. Yale... anybody can win that; it's such a big rivalry, but I still have got to lean toward Yale.

Tom Johnson, 35 Park Place, head of R. F. Johnson: The Tigers could go all the way except for Yale. That one's a loss-up. The defense looks good but the offensive line needs some ironing out. With their returning backs, the Tigers should have no trouble scoring. With a break in the Yale game they could go undefeated.

Doc Sapp, Jr., Trenton, leader for food service, Wilcox Hall. Frankly, I look for Rutgers to beat them in their first game because Rutgers has most of their players coming back. They play for real on the 21st against Lafayette and I believe that extra week will give them a great edge. Of course, we've got a good team too. We should win seven out of nine. I think Yale will beat us as well.

Carl Mecker, 12 Pine Street, employee, Princeton Borough. I said they would win them all last year and I'm not sure how the other teams stack up this year but I guess I'll say the same thing. They'll win them all. I'm a Princeton fan and I just like to see them win.

Robert Leggett, Patton Hall, University freshman. The toughest games to me are going to be Yale and Harvard. Yale is definitely going to be a tough game. I'll depend which team has the most spirit. Whoever has the better record going into the game is going to win. A game such as that the momentum counts. That Brian Dowling, he's pretty tough. I think both teams will be so high that I see Princeton tying Yale. We'll probably lose to Harvard for a 7-11 record.

Herman Lipford, Patton Hall, University freshman. I'm tempted to say all nine because I just feel we have a good team. I think we got a lot going for us but after I see the teamwork out I may change my opinion. I'll say we'll win seven, lose two. Yale may beat us and probably Harvard.

Joe Bakdino, 511 Ewing Street, manager, R.F. Johnson Electrical Store. I think Rutgers are going to beat them and

Ewing, the bulk of last year's squad returning.

Brian Taylor Returns. Outing No. 3 will be against visiting Perth Amboy, which blanked PHS last year, 21-0, and is led by its superb quarterback Brian Taylor. Taylor, who led his school to the state championship in basketball in its class — scoring 84 points in one game — is back again. "Perth Amboy's coach is trying a little bit over the number of men he lost, but I know he is going to be strong again," said Wood.

Trenton and Colonia which follow will be less arduous. Trenton is still trying to find itself after a series of disastrous years and second-year coach Frank Caporaso isn't holding out for much improvement over last year's winless season. But the fact that they haven't won any of their last 10 might make the Tornadoes difficult to stir up trouble. "They've got to be better," said Wood.

Colonia is a relatively new school and still building its football foundation. It fell 38-9, to the Little Tigers last year and Wood remarked, "It was the only game in a long time that I set back and watched." East Brunswick, no doubt will be pointing to the Blue and White when the latter invades their home town because PHS shocked the Bears, 20-13, last year. "It was the most exciting game of the season and our best will come in a couple of years," recalled Wood. "They're always strong," he said as East Brunswick had counted Perth Amboy a mong its victims.

Next are two area rivals, Steinert and Notre Dame, both hoping to improve on so-so seasons last year. East Brunswick dipped to 3-5 and the usually potent Irish only won half of their eight games. "I think they'll both be better," said Wood.

The final game with Madison Township, which upset PHS last year, 12-9, will be an historical game for Madison. PHS will mark the last opponent Madison Township will play as Madison Township. In just 10 years the school has come to realize that it will split the two offshoots will play each other. A lot of sentiment will be riding on this one — from both ends.

9-0 Unlikely. So, much as Wood would to win them all, it doesn't appear likely. It appears that PHS may stub its toe against Ewing or Perth Amboy, lose one of two difficult back-to-back contests but not both.

A second loss, either at the hands of East Brunswick or Madison would not be a total surprise. In fact, it boils down to what Dick Wood said himself in August: "Barring injuries, I think our chances are as good as they were last year."

NEW SEASON AT HAND
For PDS Football Team, The Princeton Day School football team will open a new season on a new football field next month, with several new players, but the same program that blocked the way to a winning record last year remains.

New Club, Old Champion

Former two-time Springdale champion Arthur Schwartz captured top honors at Bedens Brook Sunday, and became the first coach to hold the title at both clubs.

Schwartz fired seven birdies in 31 holes to defeat Dr. Alan Meade, 6 and 3, in the final round. He had begun the 36-hole match play in inauspicious fashion, losing the first two holes, but won four in succession beginning with the fifth, and increased his lead from there. He was 7 up after 27.

On his way to the finals, Schwartz defeated Don Wilson, 5 and 4, and edged Bill Chalverus, 1 up.

How does a small, comparatively light and, in many cases, inexperienced squad compete effectively against the larger and stronger teams fielded by the majority of its opponents. Beginning his fifth year as the Panthers' head coach, Dan Barren is doing his best to find the answer, but he isn't predicting any miracles.

At the moment, Barren would be satisfied if he didn't lose any more players before the opening contest against Hun, Friday, October 4. Pre-season losses of personnel counted upon as starters are normal for any team, but with PDS's thin 25-man squad, the problem is more acute.

Before practice even began last week, Barren learned that senior Frank Andrews, a stalwart on defense last year and an excellent possibility for light end with his blocking ability, had transferred to Pennington Prep. Also not returning are David Vomacka, a strong candidate for end and defensive halfback, out for medical reasons, and Bob Wilcox, a top performer on the wrestling team, who decided to forgo football this fall.

Page Injured. Added to this is an unfortunate injury to captain Craig Page, who stepped on a nail over the summer, puncturing an artery in his foot, and is still on the mend. Barren expects Page to be ready in time for Hun, but the loss of valuable practice a time when he is making a key transition from halfback to running the squad as quarterback will not help matters.

The squad averages out to a young one, with 17 freshmen and sophomore on the roster of 25 players. Not all the sophomores are new to varsity competition, however. Some saw action last year as freshmen.

The Panthers again will be outweighted by most of their opponents in the line, but Barren is hopeful that the squad will average a few more pounds than last year's which was around 158-160. A junior David Mack, at 211, the biggest boy to play for PDS so far, will help to increase the poundage.

Although it was a rough one, the Panthers also have one season of varsity experience to look back on. For several, including 12 returning lettermen, the second time around may instill more confidence and less awe.

Backfield, Depicted

A team's main strength last year, a veteran backfield, has been depleted by the graduation of Bill Rigot and John Claghorn. As mentioned, Page is the prominent choice to replace Rigot as field general. His quickness, speed and passing ability will be a primary asset to the Blue and White.

Senior Rick Judge, who shifted back and forth between offense last season until a leg injury sidelined him, also has the ability to perform in the backfield. Aggressive play at defensive end won sophomore Crichon Adams a letter as a freshman last year, and Barren also plans to give him a shot at one of the backfield positions along with Terry Booth, who shows promise as a sophomore fullback. Sophomore new-comers also competing for backfield slots include Tony Dale, Tom Worthington and Tim Smith.

At 5'11", 188, co-captain Keith Bush will fill in at the tight end slots. He has been a consistent performer with good mobility and blocking. The third co-captain, Ashby Adams, will also probably see double duty at guard and linebacker.

Another candidate for line backer is junior Lew Bowers, who is both agile and aggressive. Sophomore Carl Jacobelli saw only limited action last year in his first season, but at 185 pounds, he has the potential to develop into a fine tackle.

If Jacobelli moves to tackle, senior Ed Cole may wind up at center. Others showing for spots in the interior line include juniors Jack Kilgore and Bob Peck, 200-pound Ayres Browne, Tom Reynolds and Andy Houston.

On defense David Claghorn may see action as an end, Tom Spain, a two-year veteran, will fill a defensive halfback slot, while Erik Heggen, a junior letterman, will hold down the corner back assignment. Both Heggen and Claghorn, along with Peter McCandless will learn the quarterback duties as back-up men.

First Scrimmage Goes Well.

Question Of The Week

—Continued from Page 40
defeated. I'll say 9-0 with a question mark after Yale.

William Fowler, 256 John Street, employee, Borough Engineering Department, I'll say they win seven and lose to Cornell and Rutgers. Rutgers has been a tough game for Princeton the last two or three years. I think they'll take Yale this year in spite of what everyone says.

Mark Jacobs, 72 Western Way, sophomore at Harvard. I think they'll win them all except Yale and finish second in the league. They have so many fine sophomores coming up like Ellis Moore. From what I've read Princeton has a lot of men returning and has a good, strong team. Yale with Dowling first, Princeton second. Harvard hopes to finish behind these two, maybe tie Dartmouth for third.

Robert Ebenstein, Santa Barbara State student, University of California at Santa Barbara. I predict a 7-2 season. I think they'll lose to Yale and either Dartmouth or Harvard.

—Continued from Page 4
Saturday the squad had its first of three scrimmages before the Sun opener, and it outscored its hosts Hurdston Township opponents, three touchdowns to none. Barrea commented that he was "satisfied" with the team, but added that a lot of work was still needed, especially on timing. He was pleased with the defense in view of the little amount of work devoted to it so far in practice.

The Panthers' touchdowns came on runs of 45 and 80 yards by Adams from his backfield position and an intercepted pass by Heggen, which he ran all the way back. Barrea had special teams duties for the second unit, which got the PDS offense moving, after the first string gained a minute two yards in the first ten plays.

"From the looks of our first scrimmage," Barrea reported, "there will be good competition at more than just the skill positions. We had a chance to play every boy on Saturday." A slightly revised schedule this year affords the Blue and White a better chance of improving on its 2-6 record last season. The mismatch against Pingry, which defeated the Panthers 34-6, has been dropped, and Friends Academy, a school with a similar enrollment, has been added.

However, one of the two teams PDS defeated last year, also has not been scheduled. After the 31-7 defeat by absorbed from the Panthers, Englewood decided to seek an easier opponent, in its place is MacArthur Military Academy. The complete schedule: October 4, Ithaca (H); 12, Chestnut Hill, (H); 19, Montclair Academy, (A); 26, St. Barnabas, (A); November 2, St. Andrews, (H); 9, MacArthur Military, (H); 16, Friends Academy, (A); and 22, Morristown Prep, (H).

GOLF FINALS REACHED
By Quackenbush Tennis. A pair of victories gave last weekend carried Bill Payne and Bill Quackenbush to the finals of the club championship at Springdale. They will meet in a 3-hole match on Sunday, September 16. Quackenbush, the Princeton hockey coach who joined the club last spring, class Nick Glavin, Masick, 5 and 3, and Dutch Schoch, 7 and 5. Schoch had reached the quarter-finals with a 1 up victory over Bob Shaw. Payne, who played varsity

golf at College, triumphed over Bill Millman, 4 and 3, and Jack Sweeney, 3 and 2. Sweeney had advanced a round earlier with a 3 and 2 victory over Dick Judge.

Winner of the beaten eight in the championship flight was Harry Hall, a former club champion, who defeated Ross Shriver, former senior title holder. The 1968 senior championship will be played on Saturday and Sunday in 36 holes of medal play.

Winners of all other flights were determined last weekend. In the first, Jim Blair topped Reed Cook, 7 and 6, Rester Pfeiffer defeated Ross Shriver, and won over Cook, 2 and 1.

Charlie Foster won the second flight with a 3 and 2 triumph over John Sienkiewicz. Foster had ousted Bill Bonthron, 1 up, and Sienkiewicz had eliminated Ed Johnson, 5 and 4. The third flight went to Eugene Gillespie, 6 and 3, and a victor over Ralph Masick, 6 and 3. Sweeney defeated Roland Smith and Maier defeated R. J. Bennett.

Woodrow Wirsig defeated Harry Volvieder in the finals of the fourth round, 4 and 3. Earlier, he had eliminated Ralph Allaire, 3 and 2, while Volvieder topped John Howard, 2 and 1.

Otto Nelson scored a 1 up victory on the 19th hole to win the fifth flight from Jack Houghton. Nelson reached the finals by defeating B. E. Bergesen while Houghton was eliminating Ray Harding.

The sixth flight was won by Arthur Gardner, 3 and 2, over Dick Schoch. He topped Stuart Moore Wilson on the semi-finals, while Schoch won by default from Terry Marzoni.

TENNIS FINALS WINS
Tennis Championships. Final results of the YMCA Summer Community Tennis Championships saw Steve Tobolsky win two titles. He defeated Michele Gioussich, 6-1, 6-2, in the boys 14 and under division, and Robert Soanenschen, 6-3, 6-3, in the boys 16 and under class.

Soanenschen became a winner when he outlasted Mike Jameson in three sets, 6-2, 4-6, 6-3, in the boys 18 and under division. In the boys 12 and under class, Nick Glavin, 6-1, 6-2, defeated Bill Burchfield, 6-3, 6-3.

Dede Pickering won two of three titles in the girls' division.

She triumphed over Leslie Aldridge, 6-2, 6-3, 16 and under, and defeated Erica Dampel, 6-2, 4-6, 6-3, girls 18 and under. Terry Blake won, 6-3, 6-6, over Vicki Austin in the girls 14 and under level.

Also taking part in the competition were Sue Davis, Mary Ellen Hirst, Henry Thompson, Danny Thompson, Bill Tebolovsky, Richard Kendall, Bill Murphy, Mike Clossely, David Middlebrook, Jim Lalle, George Barna, Chris Mark, John Davis, Bill Schmidt and Mark Carr.

MILLER TAKES LEAD
In Sailing's Fall Series, Dex Miller, defeated Bill Pettit as crew, led six Penguin sailboats for the second straight Sunday to take an early lead in the Lake Carnegie fall series.

In four races over triangular courses last Sunday, Miller scored 22.8 points to nose out John Reeder. Bart Hoenes, 2 and 4. The third flight, with Kim Foster, with Wil Gibson as crew, led the sloop class races by large margins, while Hank Munson led in the sloop division.

TURNER MOTIVATES LEAD
In Women's Bowling League. After three weeks of play in the Princeton Women's Bowling League, Turney Motor Company has the lead with 14 points. Ranso's Cafe is second with 12 and Cranbury Bank third with 10.

Other members in the league are Sue's Colonial Diner (8), Mamel (8), Rocky and Sons (6), Tiger 5 (4) and Homes of Merit (2).

Among the high single games rolled last week, Mari Anne Silverstein's 210 was far ahead of the second best game, a 189 by Laila Smith of Rocky and Sons. Silverstein rolls for Roscoe's Cafe. Other high games: Pat Lagard, 168, Helen Lowe, 167, both of Cranbury Bank, and Evelynia Salas, 163, Rocky and Sons.

Alice Franzetta converted the 47-10 split and Sis Snyder the 6-9-10.

BOWLING NOTES
Rocky Hill Taken Lead. Rocky Hill has taken the lead from Lawrenceville, 16-9, after the 3-10 split, place in the Tri-County Firemen's League.

Tied for second with Lawrenceville are Mercer No. 3 and Princeton Junction. Four teams have six points each.

Tragler spilled the most pins — 609 on games of 222-212-175, while George

Luck's 236 was the high single game. Others above 200 were: Mike Whitley, 215; Bob Boudreau, 210; Mike Kopliner, 209; Gib Ireland, 203; Les Luck, 203 and Bill Davall, 202.

Jim Shely was high man in the Nassau League with his 20-55-192-69. A 168 first game kept Santo Tocco to death 600 as he finished with 20,216 58.

Vince Tulano rolled 232, followed by Ken Chilcote, 233; Tom Scierali, 215; and Fred Goetz, 211. Dave McCloskey and Charles Perpetua each had 202's.

Kingston Wine and Liquor, which was in a three-way tie for first last week, now has the lead all to itself with 12 points.

The Italian-American Sportsmen Club dropped two points behind, while Tiger Garage, Princeton Aviation and Grover Lumber are all even at 8 apiece.

In the A League, Ivy Inn has opened a four-point lead, 12-8, over Princeton Golf and Antler's which are tied for second. Bunched in third place with 6 each are Stefanello, Maul Electric, Nassau Del and Balesieri Construction.

Joe Pfister, Bud Fowler and Fred Procanini shared high single game honors, each rolling 225. Al Hagen had 222 and Bob Cifelli and Jerry Perpetua 214's. Between 213 and 200 were Nick Cifelli, Dick Pirolo, Bill Whitley, Frank Cawley, Jack Lucyle, Claude Penelli, Fred Lehart, Jack Bartolino, John Balestrieri, Hal Frazee, Vince Gregg and Mike Penelli.

Carol Lisi again leveled the most pins in the Business Women's League, rolling 184-208 (529). A pair of 172's pushed Dave Wheeler to 500. Others: Gale Echevarria, 191; Betty Kleiber, 165; Lillian Burrough, 162-167; Dal Forsyth, 172; Jean Bucc, 165; and Ann Pfister, 169.

Braith Eldridge converted the 47-10 split and Sis Snyder the 6-9-10.

Tied for first place with 10 points each are Rocky Hill, Ian, Claridge Liquors and Jefferson Plumbing. No better than Princeton Taxi and Balestrieri, Bucc Builders, Ivy Inn and Griggs are all even at 6 points.

LAWRENCEVILLE. . . on a quiet country road, this lovely one-story home has a huge, very large living-dining room with fireplace, modern kitchen, 4 bedrooms, 2 baths. Also, for summer enjoyment and entertaining, there is a huge screened porch. Full basement. Nicely landscaped acre and a half. 2-car attached garage. Price recently reduced. **\$43,500**

RIVERSIDE. . . very charming and immaculately maintained one-story home on a wooded and professionally landscaped half-acre in that special neighborhood in Princeton which is the choice of many top level executives. Authentic Colonial styling by William F. Thompson, Princeton's nationally noted architect. Foyer, living room with fireplace, dining room, a very modern kitchen with adjoining family room, attached 2-car garage, a large circular terrace in back with French doors leading to the family room, 3 bedrooms and 2 1/2 baths. There is also a staircase leading to an expansion site, and the owner has architect's plans for more bedrooms and a bath. This fine home offers an unusual opportunity to an older couple dreaming of retirement, yet is also wonderful for a growing family. (*) **\$56,500**

SIX BEDROOMS. . . just a year ago, this family with seven children found a century-old farm house on an acre, with great old shade trees, only 5 minutes from the Junction. Completely restored after the manner of Colonial Williamsburg, the house has a spacious center hall with a wide staircase that instantly reveals the fact no expense was ever spared in its construction, or its restoration. To the right is a very large living room with fireplace. To the left, a dining room big enough for twelve, a breakfast room, a modern kitchen with stainless steel sink, electric dishwasher, new Formica counter tops, a walk-in pantry and a modern laundry. At the end of the hall, there is a full bathroom (brand new) which can be a powder room for guests, or where the children can wash up as soon as they enter the house. Downstairs, the ceilings are high. Upstairs, there are 6 bedrooms and 2 more brand new bathrooms. In the attic three huge cedar closets. Brand new air-conditioners cool both floors. (*) **\$61,000**

NEAR THE LAKE. . . and with central air-conditioning too! On a high lot with many lofty shade trees, this fine home will appeal to people who appreciate perfection. The living room, with its high ceiling, companionable fireplace and the opulent wall-to-wall carpeting, has a bay window to 3 bedrooms (one, extra large, for it was planned to be two) and two baths. The dining room is very spacious, and the very modern kitchen has plenty of space for large and chic. Downstairs, a family room with bar, guest (or maid's) room and bath. Two-car attached garage. In the attic, a dark room and lots of storage space. Outdoors: a large swimming pool in a completely fenced yard, beautifully landscaped. All in all, a wonderful home, in excellent condition. (*) **\$69,500**

SPACIOUS & ELEGANT. . . on a country road, but only ten minutes from Princeton, this fine home as designed by a noted architect to be his own residence. All on one floor, with central air-conditioning, the wonderful floor plan makes this a great house for a large family (5 bedrooms, 3 baths, den & playroom), or an ideal retirement home (3 bedrooms, 2 baths, study and sun room . . . plus living room, bedroom and bath over garage for income or visiting children), or an ingenious house for a young family (3 bedrooms, 2 baths, & family room plus a mother-in-law apartment over the garage. The property is almost 1 1/2 acres in area, has a heated Sylvan swimming pool, a special wing for swimwears and garden tools, a large garage, & a family room, plus a where — including kitchen and bathrooms! No expense has been spared to make this large stone and frame house, with natural cedar shingles, a great place to live in and a wonderful home for entertaining. **\$85,000**

(*) Many more fine homes in Princeton and vicinity in every price range. Ample parking space for our clients.
